To whom it may Concern

We have been working with ALL SEAS SHIPPING AGENCY from 2010 to 2014 on a cement factory project to deliver to CARTHAGE CEMENT and have always been impressed by their commitment to quality, service and personal attention.

During these years, we have established a high degree of trust in them.

We value their expertise which has allowed us to lower our costs thanks to best decisions they made in terms of route, low bed and trucks choices.

We strongly recommend them for projects and heavy lift in Tunisia including the stevedoring, ships handling and door delivery.

Yours faithfully,
