Welcome to the CIA, Agent! Now get connected!

We have two methods of communication:

The **Cane Island Alers Facebook page** & the **Cane Island Alers Newsletter**

What's the difference?

The **Cane Island Alers Facebook page (forum members)** is where people can interact and reply to the posts of other Cane Island Alers' list members. This is open to all members and is a useful resource to ask questions and have experienced members provide advice.

The **Cane Island Alers Newsletter (club members)** is where club announcements are and is **not** a discussion list. This will be the primary form of communication for the club and to announce meeting dates and locations, as well as any other events.

To subscribe to the Forum, add yourself to our Facebook page at:
