## Checklist of Items to mail:

- ✓ Completed and Signed Registration Form pg. 1
- ✓ **You keep pg. 2 so you have detailed testing information as dates approach**
- ✓ **Check or Money Order for \$50 per student payable to H.E.L.P.**

## Stanford Achievement Test

### **Information Sheet for Parents - PARENTS KEEP THIS PAGE**

**Questions leading up to test date:**

Shelbi Gladwell: [quatkids3@bellsouth.net](mailto:quatkids3@bellsouth.net) **843-693-0464 - text or call**

**Dates: Tuesday, May 8, 2018 and Wednesday, May 9, 2018**

**Location:** Charleston Baptist Church: 13 San Miguel Road, Charleston, SC

**Group Testing:** While Stanford 10 allows unlimited time for testing (for students making progress), group testing requires time limits to be set in order for the group to move forward. This group testing option will allow 10% more time for students making progress. Group testing is not for everyone so please consider this when choosing the best testing option for your student.

**Arrival Time:** Students that arrive late may not be allowed to test. Parents bring students to the check in desk between 9:15am and 9:30am. **Parents are not permitted to enter the classroom area during the test!**

**Dismissal Time:** 2:30 pm on Tuesday and TBA on Wednesday. Students needing additional time may require the student to stay longer. You may pick up students via our drive-up loop or by walking up to the door at dismissal time. There will be volunteers to help you. Parents may not enter the building.

\*\*High School students will test **only** on the first day of testing.

**Updates Prior to Testing:** Updates will be posted to the regular HELP and the HELP e-resources loop as well as LCHEA and Legacy. In order to receive updates prior to testing you **MUST** be a member of a loop. If you are not already a member, please subscribe by sending an email to [HELPPeresource-subscribe@yahoogroups.com](mailto:HELPPeresource-subscribe@yahoogroups.com).

**Test Results:** Tests are scored and posted to a private site online. I will send each parent a link to each student's results. Parents will be able to view and print the results at the website.

**Checklist of items to bring to the test:**

- ✓ Two sharpened #2 pencils
- ✓ A Ruler with metric and standard measurement
- ✓ Blank scrap paper
- ✓ Healthy, Self-Contained Lunch (no refrigeration or heating is provided)
- ✓ Book to read when sections are completed early.

Calculator: **Optional for students in 7<sup>th</sup>-12<sup>th</sup> grades only!** Must be a battery powered four function, scientific or graphing calculator with characters no larger than 1" inch. All others are unacceptable, including QWERTY keypads, computers, organizers and calculators with paper tape.

**Emergency Contact on testing days:**  
Anita Coward 843-813-5652
