

# World Class Vehicle Camera Solutions

Cloud based dash and reversing cameras right through to custom designed multi-camera recording systems

## The Best Dashcam for Trucks and Heavy Vehicles

The DR650S-2CH TRUCK is ideal for most commercial trucks. The waterproof infrared rear camera connects to the front unit via a 20m video cable. This allows to monitor not only the road behind, but also cargo loading and unloading operations.

## The BlackVue DR650S is the ultimate in Cloud dashcam technology, featuring remote Live View capability.

The DR650S-1CH is a single-channel dashcam includes Wi-Fi, GPS, impact and motion detection as well as Cloud connectivity, the DR650S-1CH sits elegantly under the windshield, behind the rearview mirror, without obstructing the driver's field of view.
