Helpers Name: _____

Helper's phone/cell: _____

Emergency Contact & #: _____

Description of items offered for sale. Only items included will be reviewed for your category.

You may only sell handmade items in this show. Any changes to your category must be approved by Officers.

Please include price points (or range of prices)

Please email this completed form, and 4 good quality photographs (see requirements below) of your products to mqmcelya@att.net

You will be contacted via return email as to whether you are juried into the show. At that time you may send in your dues, a copy of your sales tax ID, and submit a bio and photo of yourself for the Velvet Stocking website.

Photo requirements:

- Photos must be 1MB minimum file size or of sufficient resolution so that they are not blurry. Images will be sized to 225 px wide x 300 px tall or you may send that size in.
- If you are not sizing the photos, photographs must have white space around the product so the photo can be cropped to fit your space on the website. Don't crop your photos tightly around your products as it will render them unusable.
- Photos must have a clean or pleasing background. No photos shot on table tops with chairs in the background or things showing on the wall that don't relate to your product.
- Be mindful of your lighting. Shadows cast on your product photos cannot be edited out. Use sunlight, halogen, LED or other bright white light.
