How does Piou-Piou work?

For group classes dedicated to babies and toddlers (and strongly recommended for pre-school children), Piou-Piou requires that one parent attends the class with their child. For all other classes, parents willing to wait for their children can stay and enjoy a friendly moment with cakes, coffee or tea in the Piou-Piou waiting room. Alternatively, if there is sufficient room in the Piou-Piou teaching area, parents are invited to attend the class (and learn French with their child).

At Piou-Piou, all class materials are included in the tuition fees. At the end of the class, Marie-Pierre, in general, provides children DVD and books as free of charge weekly rentals.

If there are any issues for attending a session, please contact Marie-Pierre at least a day before the class. Missing a class is accepted. In general, Piou-Piou provides a credit for the class missed to the next Term. Of course, don't forget that a child is making quick progress in the acquisition of the French language through regular attendance.

For the first session, if you did not yet provide your enrolment form, please bring it with you. If you have not yet paid the class for the term, please do it before the first class. If you request any specific arrangement for the payment, please let Piou-Piou know.

If you know other parents interested in French lessons for their children, please let them know that Piou-Piou still has few options available. If you or others are interested, please contact Piou-Piou.

Following last Term classes, Marie-Pierre now measures the progress that has been accomplished by the Piou-Piou students (and their parents)! So

A very special and unique class in the market is the provision of combined lessons to both Children and Parents. If you are interested in parent & child lessons, please contact Marie-Pierre.

well done to you all! Also, I would like to thank all parents for their fantastic contributions, continuous support and encouragement during the school term.

“Marie-Pierre & Florie stay committed by providing to all Piou-Piou students and their parents the best learning experience of the French language and its Culture”

As for last terms, updated information is regularly published on the Piou-Piou web site:

<https://www.pioupioufrenchkidsclasses.com.au>

so please keep having a look at it.

During the summer break, the French-Australia Preschool (FAPS) is proposing a summer program that can be found at:

<http://www.frenchaustralianpreschool.com.au/>

and by clicking on the summer holiday program link or contacting FAPS using the contact details of the following picture.

The poster features the logo of French Australian Preschool (FAPS) at the top left, which includes a stylized 'A' with a star. The main text is in large, bold, green letters: 'SUMMER HOLIDAY PROGRAM'. Below this, the dates 'JANUARY 7 TO JANUARY 31' are written in purple, with '(CLOSED MONDAY 28)' in smaller purple text underneath. Further down, it says 'OPEN TO CHILDREN 3 TO 8 YEARS OLD' in green. At the bottom, there are two pink flamingo illustrations flanking the contact information: 'To find out more, please email info@faps.com.au or call 02 6295 0621' in purple text.

For older children, Telopea Park school offers a similar summer care program. You can enrol your children through the web link:
