At the start of each session, for approximately 15mn, Florie explains the techniques that could be applied. All material and equipment are provided free of charge at the beginning of each Art & Craft session. Each child will come back home with an Artwork for his or her family to enjoy!

As a reminder, Piou-Piou is willing to save the environment. To achieve that objective, Art & Craft classes will use as much as possible recycled materials. Children will be provided smocks to protect their clothes.

Florie is happy to receive family feedback before and after the classes. Note that parents can witness the classes if they wish (space dependent).

Child's enrolment is possible on a term basis which guarantees attendance in all 9 scheduled sessions.
