

Valley Center Little League Snack Bar Buy-Out Agreement

VCLL families are required to volunteer a 2 hr. shift in the snack bar.

All money raised by our Snack Bar goes right back into the league to keep registration costs down, maintain fields, buy new equipment and more. We know some families just don't have the time to volunteer, so we are offering those families a buy-out option this year.

For **\$25/player** your family may **buy-out of your obligation** to work in the snack bar. We will try and find coverage for your shift. If a team has 3 buy-outs for a shift and a replacement isn't found then the \$90 goes towards the loss of revenue and the snack bar remains closed.

We encourage families to work their shift. It is a great experience to get to know other families on your team and helps out the league tremendously! But, if you just **can't fulfill your obligation please fill out the form below:**

Player's Name _____

tbball / caps / minor b / minor a / majors / juniors

circle one

Team _____

Parent Name _____

Phone Number _____

Email _____

Include a \$25 check or cash to VCLL and give to your Team Parent

***Team Parents please return forms to the Snack Bar by*

Thursday, March 23 for processing, thank you.**
