

CHUMASH INDIAN MUSEUM

SPEAKER SERIES

“Making a Dictionary of Ventureño”

Dr. Timothy Henry, California State University, Fullerton

In this talk, Dr. Henry will cover the fundamental aspects of making a dictionary for a fragmented language. A range of topics will be addressed including the challenges of putting a project together, the challenges of funding a project, the types of problems that need to be resolved vis-a-vis database design, and the benefits of having a well organized dictionary.

THURSDAY, AUGUST 10, 2017
