Venerable Henriette Delille gets media coverage via 175th Anniversary celebration

Among the items showcasing Venerable Henriette Delille are: an exhibit, The Life and Legacy of Henriette Delille opened at the Catholic Cultural and Heritage Center, October 2016 through September 1, 2017; a documentary, A Legacy of Love, Henriette Delille and the Sisters of the Holy Family, produced by WLAE TV featured a historical look at our congregation, the Sisters of the Holy Family, whose lives have been spent caring for the poor, the elderly, and the uneducated; The Times Picayune article “The Path to Sainthood: Henriette Delille may become the first New Orleanian to be canonized by the Roman Catholic Church, by Kim Chatelain, A Saintly Cause: Promoting the canonization of the first native born African American by Melissa McNally, in the New Jersey Catholic, to name a few.

The media coverage brought about a renewed spirit of hope to the Sisters and Friends of Henriette Delille who pray and fast, especially during Lent for the intention that the next phase, Beatification, will speedily come. The media encourage the faithful during this jubilee year by sending a clarion call to all to join us in praying that God will see fit to raise Mother Delille to sainthood.

“Mother Henriette Delille, pray for us that we may be a holy family”
Dear Sisters of the Holy Family,

Several years at a Christmas dinner, I met a lady that told me she was a distant cousin of Venerable Henriette Delille. She gave me a prayer card that has her picture. The prayer is for Henriette Delille’s Beatification.

My brother in law was very ill at the Veterans Hospital. They had a difficult time finding a nursing home for him. Nothing seemed to be available.

I pray everyday to Henriette Delille. This time I asked for a very big favor of her. I asked to please find a place for him. My prayers were answered. They found a facility for him and several times after that also. I am writing this letter in thanksgiving. I continue to pray to her every single day.

Thank you dear Henriette Delille. Sincerely, L.B., CA

Dear Sister,

I am very thankful for all your prayers. I am presently in remission. I just had surgery. I have another surgery coming up. I’m recovering from reconstruction surgery.

**CALLING ALL “FRIENDS of HENRIETTE DELILLE”**

*A call to recharge, revitalize, reactivate all Chapters of Friends to move Beatification faster…*

We encourage our various Chapters of Henriette Delille throughout the country to redouble efforts to recharge and revitalize promotion and activities mirroring the work of Venerable Henriette Delille, still so needed in our own day.

We refer you to the projects undertaken by the New Jersey Chapter in the last three editions of our newsletter, *Servant of the Poor.*

We are happy to re-welcome the Friends Chapter in the Washington–Virginia area. In a conference call, Deacon A. Anderson took the leadership, along with his wife, Beverly, Emelda August, Louis and Juana M. Kleiman, and Admiral Stephen Rochon.

They will share their plans with us as they regroup and promote Venerable Henriette’s story as a true Christian, and promote devotion to her by remembering how Henriette “gave herself in service and in love to the slaves and the sick, to the orphan and the aged, to the forgotten and the despised.”

At the same conference, Monsignor Ray East based his homily at the African American Mass on the accomplishments of Venerable Henriette Delille.

When many people of different nationalities saw Henriette’s photo on a poster, they asked, “Who is she?” Then they asked for more information and were enthusiastically given prayer cards and literature.

Additionally, one of the books the Friends are reading in their book club is *Henriette Delille* by Dr. Virginia Gould.

**More commentaries about Henriette**

- Henriette had also the spirit to give to the poor the last remaining provisions in the house.
- There is no doubt concerning her fervent love of God. She strove in all things to do the will of God, not from fear, but love.
- Her undertakings for social justice are repeatedly underlined and this can be considered her particular charism.

**New Jersey from p. 2**

African American Heritage Parade featuring a life-size banner of Venerable Henriette.

- June 6 Friends are collaborating with Our Lady of the Valley Church Health & Wellness Ministry’s Cancer Survivors Mass by Pastor/Rector Rev. Steven Dumas. The Friends will distribute gift bags to survivors.
- During summer, parish visits will begin. Letters to 30 Catholic Churches to ask to speak about Mother Delille and distribute prayer cards and brochures have been mailed.

The Chapter writes: It is an honor to promote the canonization of Venerable Henriette Delille. In addition, all of the chapter Friends are so very joyful to engage in these works which mirror the acts of kindness and love displayed by Venerable Henriette Delille herself.

By Dr. Gail F. Armant
The Sisters of the Holy Family held its first Nationwide Day of Service in conjunction with the 175th Anniversary of the founding of the Congregation of the Sisters of the Holy Family. On Saturday, March 18, 2017 over 200 volunteers gave back to their communities. Volunteers convened at eleven sites in five cities across the United States. Associates of the Sisters of the Holy Family, Friends of Henriette Delille, and other community volunteers joined the Sisters in New Orleans, Lafayette, Baton Rouge, Compton, California and New Jersey for the first annual Nationwide Day of Service.

St. John Mary Jackson, who was at St. Augustine Church in New Orleans said “it was a beautiful day”. Her expressions were consistent with the feelings of many of the volunteers who found the day to be very rewarding. The Nationwide Day of Service was very diverse. In New Orleans, Sheriff Marlin Gusman assisted Congregational Leader Sr. Greta Jupiter and other volunteers with serving a meal to the senior residents at Delille Inn Apartment Complex.

Lafon Nursing Home was founded in 1842 by the Sisters of the Holy Family and is the longest operating nursing home of its type in the United States. Volunteers gathered at St. Augustine Church, Einstein Charter School, Joe Brown Park and St. John Berchmans Early Childhood Development Center in New Orleans, Louisiana.

Also in Louisiana, the Nationwide Day of Service was commemorated in Lafayette and Baton Rouge. In keeping with the mission of the Sisters of the Holy Family, volunteers visited those who were confined to their homes or living in a nursing home. Volunteers in Houston, Texas also visited residents in a nursing home.

On the east coast in Newark, New Jersey, the New Jersey Chapter of Friends of Henriette Delille collected 51 new pillows for the refugees from Syria, Iraq, Afghanistan, and Democratic Republic of Congo for their use upon their arrival into the United States.

On the west coast in Compton, California blankets, food and toilet articles were given to 190 homeless people. Smiling and appearing pleased with the service shared by the volunteers and the Sisters at this first Nationwide day of Service, Sr. Greta Jupiter stated “We will have a Nationwide Day of Service every year!”
Sister Mary Prompt Succor Arceneaux (nee Mary Rita Arceneaux), a native New Orleanian from Corpus Christi Church Parish and daughter of the late Joseph Edward Arceneaux, Sr. and Cecilia Nelson, died Monday, April 17, 2017 at Lafon Nursing Facility of the Holy Family. She was 97 years of age and the oldest member of the Sisters of the Holy Family.

Sr. Prompt Succor entered the Congregation of the Sisters of the Holy Family on September 8, 1943, professed first vows on March 19, 1946, and perpetual vows September 8, 1943, professed first vows on March 19, 1946, and perpetual vows August 16, 1951.

During her seventy-three years as a religious, Sister has ministered to God’s people in the fields of education, social services, health and eldercare, parish ministry, and for many years through her skills as a bookkeeper.

Before entering the convent, Sr. Prompt Succor had graduated from Xavier University, had been a substitute teacher in the public school, and had worked in her father’s insurance office. Upon entering the Congregation, Sr. Prompt Succor began teaching at her alma mater, St. Mary’s Academy; later she was assigned to St. Paul School in Lafayette, Sister’s educational background and experience prepared her to do bookkeeping for many years at the Lafon Nursing Home both on Tonti and later when the facility moved to Chef Menteur Highway. Sister also served as bookkeeper at St. John Berchmans Child Care Center.

Sr. Prompt Succor, after being interviewed, was chosen as one of the three sisters (all from different religious congregations) to work in the newly established Archdiocesan Experimental House. She later served in St. Alphonse Parish and worked in the Witness Program in New Orleans; provided social services and did parish ministry at Uganda Martyrs in Okmulgee, Oklahoma; and worked in the Motherhouse infirmary, assisting with the nursing and later teaching crafts to the older sisters. Sister was actively engaged in prayer ministry when Hurricane Katrina caused her to relocate to Alexandria, Louisiana. Upon her return to New Orleans, Sister entered the Lafon Nursing Facility as a resident August 25, 2011.

Unlike her name in religion, Sister Prompt Succor talked slowly and moved slowly. However, her warm, friendly smile, generous heart, and kind words quickly won over all whom she met. Sister loved to talk and would lavish praise and thanks for any favor. She could offer a speech at a moment’s notice. She once wrote that she considered her most significant contributions to the Sisters of the Holy Family were teaching, nursing and social work. The gift of yourself, dear Sister, was truly your most significant contribution.

Sister is preceded in death by her parents, two brothers: Joseph and Albert; four sisters: Cecilia, Julian, Bonita, and Anita. She is survived by her younger brother Anthony J. Arceneaux (Isabelle), and a host of nephews and nieces.

Sr. Augustine McDaniel remembered and prayed for

The students and staff of Presentation National High School in Benin City, Nigeria participated in a Mass to pray for their former principal and mentor Sr. Augustine who died December 3, 2016 in New Orleans.

Sr. Augustine served as a creative and innovative administrator of this all girls boarding school for four years. During this time she transformed the physical plant and improved and expanded the learning environment.

Over seven hundred girls, teachers and staff members prayed, cried and remembered the care and hard work of Sr. Augustine.

She will be gravely missed by many in this far away country of west Africa.

In the last issue of Servant of the Poor we gave a report on the Canonization Process. Many people wanted to know where we are. We are still very much involved in the process: praying, working, and waiting for the day we hear “Blessed” Henriette. We were hoping it would come during our jubilee year. There’s still time.

We promised to give you a financial report in this Servant of the Poor. Here it is. We will give the account for the years from 2013 - 2016. Very simply we will tell how much money we received and how we spent it.
