

MARLBORO MEMORIAL

emphasizes the benefits of planning ahead for cemetery property

Planning ahead for cemetery property at The Marlboro Memorial Cemetery, enables you and your loved ones to take full advantage of the cemetery's personal consultation and to thoughtfully choose the burial, and/or cremation options that are just right for you. "Pre-Planning ahead before one's own passing or that of a relative is an important aspect of the cemetery planning process" says family service director Maria Spalliero. Our Family Service Counselors will help you to create an affordable burial arrangement with flexible payment plans. Maria notes that by planning ahead, it gives families peace of mind that their final wishes will be heard and carried out. It also means that their families will not have the financial hardship and be forced to make difficult decisions at a time of need. Marlboro Memorial Park is actively planning for the years ahead, sitting on one of the most beautiful pieces of land in the heart of Monmouth County. Founded in 1997, it is one of the newest cemeteries to be approved in New Jersey in over 30 years. More than 2,500 trees and 150 native woody plants grace the 110 verdant acres of land. Our mission is to provide the most efficient and sincere care to all our families during their difficult time of loss. With four breathtaking indoor and outdoor Mausoleums, and sections of traditional In- Ground burials, Marlboro Memorial cemetery proves to be New Jersey's premier cemetery.
