VENDOR APPLICATION INSTRUCTIONS RHINEBECK

JUNE 30th & JULY 1st, 2017

<http://rhinebecknationalmeet.com/vending.html>

The following information is provided to assist you in completing the application. Please read the following instructions. If the application is not complete, it may delay processing (and another vendor may get the space you want). If you need assistance or have any questions, you may contact the Vending Committee at 845-418-2010 or e-mail us at vendors@rhinebecknationalmeet.com.

General: All standard outdoor spaces have a minimum of 500 square feet. Some spaces back up against fences, but many have unallocated easement space behind them. The dimensions and specific details for each space are available on the web site (or phone).

1. A Vending Space map is available on the website; you may use it to identify the specific spaces or area you are requesting.
2. You MUST supply proof of current AMCA membership for yourself and for anyone else for whom you seek a Vendor's Vehicle Pass: According to the Rules for Vendors, only one Vehicle Pass will be issued per spot and a maximum of two Vendor's Tickets per vehicle will be issued. These Passes/Tickets may only be given to individuals listed with your application that you certify will be working on your behalf in your spots.
3. Include your Company name - if applicable.
4. Please provide a basic description of your intended merchandise (see Rules for restrictions on merchandise).
5. You must provide a complete mailing address so we can send you your registration package and related documents.
6. If you have an e-mail address, please provide that as well, since it may be faster and cheaper to communicate with you as needed.
7. Please let us know what type of vehicles you're bringing and how long they are. Some spots are not good for big rigs, while others are fine.
8. You must provide at least one telephone number so we can contact you with any questions.
9. Each Standard Space will be at least 500 sq. ft. Some may be slightly larger due to obstacles or terrain.
10. Due to unique obstacles and terrain in some areas of the Fairgrounds, as well as specific Vendor requests, some spaces may only be reserved as a single contiguous block of spaces.
11. There are over 120 indoor 10'x10' spots marked off inside Buildings C and D. These spots can be combined to create a larger space for Vendors requiring space inside. These spots are \$20 each. Inside vending spots entitle vendor to 1 wristband for an area up to 500 sq. ft. and 2 wristbands for spots greater than 500 sq. ft.
12. There are eight covered "Pavilion" Spaces next to Building E. These Spaces have electricity, lighting, and water. These are \$65 each.
13. You can pay for advertising in the official program with your application, but it is best to coordinate and pay for advertising by contacting the Advertising Committee at: advertising@rhinebecknationalmeet.com.
14. If you are not an AMCA member or you need to join or renew your membership before the Meet, you may do so instantly online at <https://secure.cornerstonereg.com/amca/newmember.asp> (from there, you can also download, print, and complete an application). If joining online, please include with your Vending Application a printout of your confirmation e-mail (it will contain your AMCA number).
15. Please do not mail cash.
16. If you would like mail or e-mail confirmation that your application has been processed, please include e-mail address or a self-addressed and stamped return envelope.
17. **Important Deadline May 15, 2017:** Deadline for receipt of 2017 Vendors registration and payment to get assigned the same spaces as 2016. You may specify your requested spot using Field Color AND Spot numbers. All requests are first-come/first-serve. HOWEVER, if you were a Vendor in 2016, we will "pencil in" your same space in for 2017 but will release it after the deadline indicated. Please try to register as early as possible; we will try our best to contact you prior to releasing vending spots.
