Project Activities in Uganda

December to January

MISSION: *Trustlines mission is to advocate, foster, and promote engaging sustainable hands-on development projects, resources and education to alleviate poverty.*

In 2018, Trustlines project activity goals included:

- ◇ CHICKEN/EGGS - to increase the number recipients; follow up on last year's recipients; and buy an egg incubator
- ◇ SANITARY PADS - distribute more reusable pads to girls
- ◇ BACKPACKS, school supplies & scholarships - give more

Your advice, encouraging words, questions, donations, and prayers are highly appreciated. They empower Uganda disadvantaged children and families to improve their health through better nutrition, advance their opportunities, economic situation and improve self sufficiency.

Child gets chicken from a local breeder, Edward Kakembo in Bukuya village, 78 miles NW of Kampala, the capital city. Plan on about a 4 hours' drive.
