OUR VISION

Living up to our heritage of reaching each new generation for Christ.

OUR MISSION

To Put Jesus F.I.R.S.T. In Our Lives, Our Church, and Our Community.

Reaching Each
New Generation

A Note From Pastor Stephanie

“Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. Prophecy and speaking in unknown languages and special knowledge will become useless. But love will last forever.” 1st Corinthians 13:4-8 NLT.

This passage of Scripture is one of my favorites. It is also one of the hardest Scriptures to live into. I think that the one who comes close would be a mother. I know not everyone

has had the blessing of having a mother that loved them unconditionally. For those of us who have, we know that mom would have made sure all had food before she would sit down to eat. We know that the new clothes would be bought for the children before buying anything for herself. And a mom who lives this Scripture would always believe the best of her child/children before anyone else would. This Mother’s Day thank God for your mother and if there are things you need to forgive her for it will help you to live a life of unconditional love toward others.

This passage is how we are to treat one another. I do not think this is a suggestion. As a Christian, the love of God is shed abroad in our hearts in Christ Jesus. If Jesus lives in us then this is how we are to be. What a change we can make in our world if we love unconditionally.

Blessings and love,
*Pastor Stephanie
and Jack*

This great Men's Bible Study is on Wednesday evenings at 6pm with Dave Oltmans. You can start any week. Come & learn more about John together.

Jennifer Rothschild's "Hosea, Unfailing Love Changes Everything" with Robyn Robbins

This Bible Study began on April 10th at 9am. It's the love story of Hosea and his wandering wife Gomer. It's the story of God's love for His wayward people Israel. Ultimately, though, it is the story of God's unfailing love for you and me. Like Israel and Gomer, we are prone to wander from His love. God loves us too much to let us go though. He goes to extraordinary lengths to bring us back to Him. I can't wait for you to experience that kind of love!

His unfailing love really does change everything!

Beth Moore's "When Godly People Do Ungodly Things" with Sue Wilson

This Bible Study began on April 19th at 6pm. Our purpose through this study is to understand how the people described in 2nd Corinthians 11:2-3 as being wholeheartedly sincerely and truly devoted to Christ can be beguiled by Satan and have their minds corrupted and seduced. This study gives us a better understanding of how a Godly person can fall in such a deep pit of sin. It also teaches us how to reach out our hands and help them get up. I believe everyone who participates in the study will have a better understanding of the way Satan deceives us all.

There will be other Bible Studies & Small Groups available. Emails will go out with details soon.

They especially need help on May 2nd and May 4th.

May 5th: They are going to do a “Kindness Celebration” They are needing volunteers to help. They would like to do sno cones for the students this day, so if anyone has or knows how to get a sno cone machine for a day, please let me know.

We are still collecting food for the children at Honeysuckle, too. They need breakfast items that are individually wrapped, but they will take all food donations.

SERVE MINISTRY

People Want Their Lives to Matter and Make a Difference

Stephen Ministry is Christ caring for people through people. If you, or someone you know, are going through a difficult time, consider having a Stephen Minister. Stephen Ministers listen, care, encourage and provide emotional and spiritual support. The care is confidential and helpful. For more information on receiving care contact Rev. Stephanie Cox at 334.794.6725.

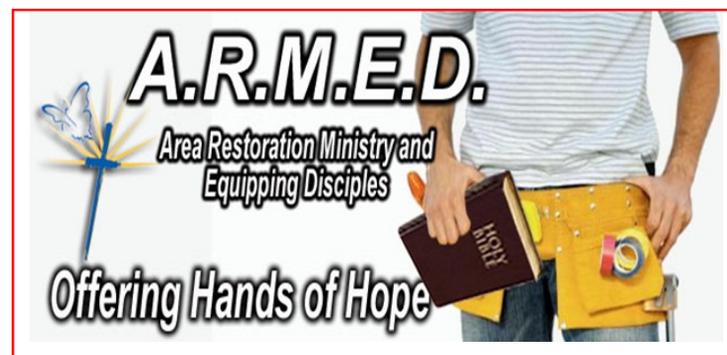

Join us the First Thursday of every month. We share food donated by Greystone members. And share the Love of Christ with them through Prayer.

Ask Jan Willis for dates and location

Love In Action International Ministries spreads the Gospel of Jesus Christ through acts of compassion in our hometown of Dothan, Ala., inner cities throughout the US, and other parts of the world. Jesus tells us in Matthew 25:35-40 that we are to take care of the neediest among us. In verse 40 He says, "I assure you: Whatever you did for one of the least of these brothers of Mine, you did for Me."

They also believe in carrying out the Great Commission Jesus gives all of His followers in Matthew 28:19-20. Therefore, we go to the nations reaching the lost and unreached people with the Gospel of Jesus Christ, and make disciples.

A.R.M.E.D., Men's Club, meets 2nd Mondays at 6:30pm in the church sanctuary for a meal, fellowship, and planning.

The United Methodist Church is a connectional denomination. That means all UMC's are connected to one another through annual conferences. Keep up with what's happening and learn more about your Alabama-West Florida Conference from their website:

Labors of Love

Hello, dear souls. I pray that we all feel blessed, regardless of life's challenges. In comparison to many other countries and the things the citizens endure, we are blessed in even greater measure.

This piece is about recognizing labors of love poured out over our beloved church. The role of the trustees is to care for God's property with the greatest degree of excellence possible. God's property in this case involves the church building, its contents, its grounds, its equipment, and any vehicles such as the bus. It includes the parsonage, its contents, and its grounds (the grounds graciously being cared for by a family member). "Contents" includes everything, just like your home or apartment...heat & air, roof, plumbing, electrical, paint, carpet, kitchen equipment, etc. We try hard to do what we can to minimize costs, and hire out only those tasks that are beyond us.

People come up to me, and often, to compliment how things are looking. In every case, I ask them to give the same mention to the folks who had a role in whatever was being complimented; therefore, I let them know who was involved.

Total numbers of people could be mentioned, such as about 30. Or names could be listed. Today's choice is to list the initials of people who have turned our outdoor property into what you see today. We strive for a "campus-like" appearance, knowing that this is not only important to the congregation, but also important for visitors and others who ride by and make that first impression.

Outdoor helpers over the past 3 years or so, and some have done indoor stuff: BB, TB, SB, AB, FC, TC, JC, JC, ED, EF, FG, AH, BH, LH, CJ, MK, BK, DK & DK [2 younguns], SM, GM, DO, PP, KP, CR, DS, JW, PW, RW. And as a group, A.R.M.E.D. and/or The Men's Club plays a role. [One always hopes that nobody in a list was overlooked.]

Sure, there is a core group of regulars in the list, but without the efforts of all of the above, the load would be greater. One hour of service means that is one hour less to be absorbed by others. Some like to mow on tractor or ZTR. Some don't mind weed eating, edging, and push mowing. Some like to plant. Some like to tend to the plants. Some like to spray Roundup. Our motto is "Always a challenge, but never a burden."

We have been blessed to have volunteers come forward. And we don't believe that if you help your church by doing any of the things that we do, that you are "locked in forever". A little here, a little there is just fine with us. We are always in need of others who are interested in what we do and the look we produce. Just call Jonathan at 334-618-3398. Also, many good ideas for new or different things have come from you.

I do believe that anybody wishing to volunteer should first think of assisting others in the church who do the many important things other than what the trustees are charged with, such as visiting the homebound, VBS, Peanut Festival, Cheerful Hearts, Wednesday night suppers, etc.

Blessings to all, from Jonathan Miskell.

District UMC News

Dear Dothan district family,

Today as I got ready for work I was thinking a lot about our district, the churches and people - especially the people. I have to tell you the past couple of weeks have been difficult. There have been those who are unhappy about events in our denomination and are watching carefully to make sure things go a certain way. There have been tough decisions that have been made for the good of the local church and it has angered and hurt individuals. There have been misunderstandings, hurt feelings and angry words. All in the day of ministry a day that is painful for many of us and often causes lack of sleep. Throughout it all God has been present loving each of us.

As I thought about these events and prayed for the day that lay ahead I remembered an event in my younger days. When I was in the sixth grade one of my friends brought her basketball to school and everyday at recess we chose up teams and played. I loved it. Sometimes my friend, the owner of the basketball, would be on the losing team. She would get angry and when she got her hands on the ball she would stop the game. She would then inform us that we could either choose our teams over or she would take her ball away and no one would play. I believe you can imagine our frustrations but since we loved playing we would stop and choose teams over again.

We have so many things going on in our district, our conference and the general church and we know that we aren't always going to be happy with the outcome. In fact, we may mourn the outcome. But here is the thing, we are all on the same team so to take our ball and go home is not an option. I believe that is a good thing. I believe that no matter what the outcome we move forward loving each other and to do that we will need to keep the lines of communication open. Let me remind you that my door is always open and my cell phone is 251-253-4661 and you are welcome to call me anytime. I also believe that we need to talk to each other as well, especially those who have different views, interpretations or understandings. We are brothers and sisters in Christ first and then brothers and sisters in the United Methodist Church. Let us stand together to serve our churches, our district, our conference and the world that we might continue to make disciples for Jesus Christ for the transformation of the world.

I am grateful for each of you.

Love,
Sara
