IDENTIFICATION REQUIREMENTS FOR RELEASING VEHICLES & PROPERTY

<p>ANY ALTERED, MUTILATED, EXPIRED, OR QUESTIONABLE ID CAN NOT BE ACCEPTED</p>

MEXICAN/HISPANIC PHOTO IDs

We will no longer be able to accept IDs purchased at retail outlets. All photo IDs must be issued by a government entity in the United States, Canada, or Mexico. The photo ID may be issued by a Government entity with a photo ID. A Mexican driver's license may be accepted if it meets the standards of an Oklahoma License (bar code, dual photo, hologram, and etc. Reciprocal agreement with Mexico.). We can accept valid unexpired passports or US Immigration cards ("Green Card") to prove identity. Proper identification must be presented to be able to release property OR the vehicle. Only a valid driver's license may be used to drive the vehicle from the storage facility.

PHOTO IDENTIFICATION TO RELEASE VEHICLE/PROPERTY

OHP, OCSO, OCPD Impound and ORs

Oklahoma DPS Rules require a photo ID to release a vehicle (or property) to a vehicle owner. The photo ID must be issued by a Federal, State, County, or City government or Agency. We must have a copy to be able to release a vehicle or property per DPS Rules. See the DPS Administrative Rules for other conditions in addition to the Photo ID requirement. A DUI receipt may be used if an officer signed that the driver's license was surrendered during a DUI arrest/test when the driver/owner is immediately released from jail. DUI receipt is not a permanent ID replacement and an Oklahoma ID should be issued after a few days.

(OCPD Tows ONLY!)

NON-PHOTO IDENTIFICATION

OKC and OCPD release rules and on the back of the OCPD Impound Sheet list many government issued non-photo ID that will be acceptable to OCPD for release of a vehicle. Note that the requirement does require **TWO** non-photo IDs to be able to accept and use a non-photo ID. Examples of useable non-photo IDs would be a Voter's Registration, Birth Certificate (original with a seal), Oklahoma Hunting/Fishing License, DUI Test Result or arrest record. To be able to accept a non-photo ID the owner must have **TWO** non-photo IDs (according to OCPD Vehicle/Property Release Rules). OKC/OCPD Rules do require only ONE photo ID.
