When billing hourly rates instead of distance rates, the wrecker service may bill a *minimum* fee equal to 1 ½ hours.

Wrecker Services may charge either distance OR hourly rates but not both. Exceptions include charges for recovery services, and waiting or standby time when billing distance rates. In both exceptions, the time and justification for the service must be documented on the face of the invoice.

### Recovery

Recovery services including winching, hoisting, up-righting, or removal services necessary to position the towed vehicle so that the wrecker vehicle is able to hookup or load the towed vehicle may be billed *in addition* to distance and hourly rates. Recovery services may be billed at no more than the hourly rate. When billed, the justification for and time spent providing recovery services must be documented on the face of the invoice.

Extra Labor Rates shall be \$36.00 per person per hour. Time and justification must be documented on the face of the invoice.

Skilled or Specialized Labor Rates shall be actual rates charged for such labor and/or equipment. When skilled or specialized labor or equipment is required, the wrecker operator's documented cost for such skilled or specialized labor or equipment plus a twenty-five percent (25%) gross profit markup to cover overhead costs for such labor may be added to the invoice or freight bill to be collected in addition to all other applicable charges.

Additional Service Rates Weight of Towed Vehicle	Disconnect Drive Line; Remove Axle	Reconnect Drive Line; Replace Axle	Dolly or Rollback
8,000 or less	\$12	\$18	\$30
8,001-12,000	\$18	\$24	\$36
Rate Per 15 Minutes of Service Performed			
12,001 or over	\$24	\$24	N/A

Distance, hourly (excluding recovery), and hookup rates may be adjusted weekly by adding a fuel surcharge as provided in this section. The fuel surcharge shall be based on the Department of Energy "weekly retail on-highway diesel prices" for the "Midwest Region" using Two Dollars (\$2.00) per gallon as the base price with no fees added. The wrecker fees may be adjusted to allow a one-percent increase in fees for every ten-cent increase in fuel cost starting at Two Dollars and ten cents (\$2.10) per gallon. To sign up to be notified of the price each week go to: <http://www.eia.gov/listserv/signup.html>.
