# The Ultimate Walk Program

## **WHO ARE WE?**

The South Texas Pregnancy Care Center (STPCC) was established in March of 2001 and since its beginning has offered hope and love to thousands of women and men facing an unplanned pregnancy. We envision a community choosing life for the preborn. Through free pregnancy testing, ultrasound, STI testing, mentoring, education and resources, we strive to build a culture of life.

## **WHAT ARE SOME FACTS ABOUT STPCC?**

In 2018,

- 159 abortion vulnerable clients helped
- 1,332 total visits
- 154 ultrasounds performed
- 190 male clients
- 302 pregnancy tests performed and of these tests 73 were teenagers between the ages of 13 and 19
- 140 STI tests performed
- 4,100 clothing, blankets and formula were earned by our clients
- 3,500 diapers were given to care for our new babies
- During the 2017-18 school year our SHARE teachers were invited to teach in five different area school districts, reaching 3,375 middle school and high school students
- 19 of our clients prayed to accept Christ with our volunteer and staff

## **THOUGHTS TO PONDER:**

- It is essential to recruit others to become pledge raising walkers, not just to sponsor you.
- Every walker is valuable! Think number of walkers, not amount of money.
- Your job is to communicate and invite others. Remember God is in charge of the results.
- Everyone can be a walker. A group of people, each doing a little, can make a BIG difference.
- Use creativity in making announcements and people will respond.

## **HOT TIPS FOR TEAMS:**

1. Meet with your pastor and:
  - Share the vision from your perspective.
  - Encourage him to walk with us. We ask pastors to lead the walk with our banner.
  - Ask him to share from the pulpit – or schedule a speaker.
2. Talk to all your friends about walking; encourage them to walk!
3. Place an announcement in your church bulletin. We suggest having announcements for several weeks prior to the walk. You may use the bulletin insert and possible announcements included in this packet.
4. Ask to speak with all types of groups in the church.  
EX: Bible Study Groups, Home Groups, Youth Groups, and Women's Groups
5. Encourage walkers to download a sponsor form at [www.southtexaspregnancycarecenter.com](http://www.southtexaspregnancycarecenter.com) and click on the Events tab. Also, they can spread the word through social media.
