

## **CORONAVIRUS NATIONAL EMERGENCY UPDATE**

STPCC is focused on the health safety of our clients, volunteers and staff. Therefore, we have implemented the following policies until further notice.

If you have any questions or need other assistance, please call **830-303-2151**.

- STPCC is continuing to provide free pregnancy testing and STI testing. However, if you or your family members are having flu-like symptoms or fever, please call us before coming to the office.
- STPCC has canceled all other appointments. We will call to reschedule all canceled appointments when we return to normal operations.
- Emergency shopping is allowed. Call before coming to the office to ensure we have what you need. Call when you arrive so we may bring the items to your car.

Thank you,  
Your STPCC family
