Lamb Reigns 1,260 Days

Esther	In the book of Esther we are given amazing insight into the timing of the book of <b>Revelation</b> . Here we look at characteristics in Esther 1 & 2 that correspond to <b>Rev 4,5</b> (and other chapters)	
1:2	The <b>King</b> sat on the <b>Throne</b> of His Kingdom which is in Shushan the Palace	And He that sat upon the <b>Throne</b> , I am <b>Alpha</b> and <b>Omega</b> , beginning and the end <b>21:5,6</b>
3 yrs		
1:3	He made a feast (celebration) unto all His servants, nobles, and princes being before Him (and His throne)	They sang a new song 10k x 10k saying with a loud voice "worthy is the Lamb" And worshipped before Him <b>5:9-14</b>
180 days		
1:3,4	He showed the <b>Power, Riches</b> of His <b>Glorious Kingdom</b> and the <b>Honour</b> of His <b>Excellent Majesty</b> many days	Worthy is the Lamb to receive <b>Power, Riches, Wisdom, Strength, Honour</b> <b>Glory and Blessing</b> <b>5:12</b>
3.5 Years		Shared 7 Word Song
1:10	King commanded Mehuman, Biztha, Harbona, Bigthan, Abagatha, Zethar, Carcas 7 chamberlains served King	These are the 7 church angels bringing <b>Vashti</b> . 7 stars in His right hand and the Angels to the 7 Churches <b>1:20</b>
1:12	But Queen <b>Vashti</b> (church) refused to come at the King's command, therefore was the King wrath and His anger burned in Him	<b>Vashti</b> , like Jezebel seduces church to commit fornication. He will cast her and those with her into the Great Tribulation <b>2:20-22</b>
For 2 Years		
1:14	King's Wise Men Carshena, Shethar, Admatha, Tarshish, Meres, Marsena, Memucan sat First in the Kingdom	These are 7 horns on <b>Lamb</b> and each horn a trumpet which are the 7 Angels blowing 7 Trumpets <b>5:6</b> <b>8:1,2</b>
2:2	Let <b>Poor virgins</b> be sought for the <b>King</b>	<b>144,000</b> are not defiled for they are <b>virgins</b> <b>14:4</b>
6 months		
<ul style="list-style-type: none"> <li>- The <b>King</b> sits upon His <b>Throne</b>, then after He calls for a 180 day feast completing a total of</li> <li>- During this time the angels, elders are recognized</li> <li>- The 180 day are the 7th Cycle of 180 Days <b>180 x 7 = 1260</b> Seals</li> <li>- <b>Vashti</b> refuses the <b>King's</b> command who then is angry for</li> <li>- A decree is issued to gather the <b>virgins</b> to the palace</li> <li>- <b>Esther</b> is prepared in one year and is brought before the <b>King</b> just like <b>144,000</b> in Year Seven</li> </ul>		<b>Lamb Reigns</b> <b>3 Years</b> <b>3.5 Years</b> <b>2 Years</b> <b>1/2 Year</b> <b>1 Year</b> <b>7 Years</b>

The King sits upon His Throne, then after 3 Years  
calls for a 180 day Feast, thus completing 3.5 Years  
When these days (180) expired, feast of all people 7 days  
180 days, the 7th "day" or 7th interval  $180 \times 7 = 1,260$  days  
Vashti refuses the King, who then is angry for 2 Years  
A decree is issued to gather the virgins to Shushan 5 year  
Esther is prepared in one year, brought before the King 1 year  
7 years
