Every Child needs the Individual Care, which The Learning Tree can Provide

Welcome to the Les Finch Family

Welcome to Les Finch's Learning Tree! We are so pleased that you have chosen us for your child's pre-school education. Early Childhood Education is the first step to your child's educational success.

Did you know that the capacity of the brain to absorb new learning peaks at the age of 3?

We at Les Finch's strive to achieve the highest learning possible. We demand the

very best for our children. We want to make this as comfortable for the parent as it is for the child. The 2017-18 school year is going to be overflowing with fun, laughter, and full of new learning experiences.

We at Les Finch like to think of ourselves as **One Big Happy Family!** Some of the staff here have been with us for over 30 years! We have a low turnover, which makes it

easier on the children to get familiarized with not just their teacher but also the rest of the staff as well.

We look forward to a Great school year.

Our Motto: "Every Child needs the Individual care which the Learning Tree can Provide."

Open House

Open House is the time of year where we allow the parents to walk around from class to class to get a better overall feel for the school, staff, and

management. Open House will take place on **Wednesday, September 27, 2017** starting at 5 pm. A parent meeting will immediately follow starting at

6:15pm. Communicate with your child's teacher and express your feelings and expectations for your child! We look forward to seeing YOU!

Candy Sale 2017

Each year Les Finch's Learning Tree has a candy sale fundraiser to try and raise money to keep tuition cost economically affordable and also help improve the curriculum and other important things!

This year's candy sale will kick-off on Friday, September 18, 2017 and will end on Friday October 9, 2017

We are asking for TOTAL participation from the parents! We

like to provide the BEST for our children, and a little extra funds can go a long way!

There is a First, Second, and Third Place prize for the student who sells the most candy during the time period! 1st place would receive 3 weeks tuition, 2nd place would

September 18-
October 9, 2017

receive 2 weeks tuition, and 3rd place would receive 1 week tuition.

FYI: selling \$300 worth of candy more than likely won't win you the 1st place prize! :)

GOOD LUCK TO ALL THE SELLERS!!

Files Update

We will need all files to be updated if you have not done so by now! We need updated physicals, dentals, food/lunch forms, and emergency contact information! This information is good for 1 year! Please turn these documents in A.S.A.P.

Our Mission

Our Mission is to develop children with creative and active minds, educate and support them in a safe and challenging learning environment as they develop into life-long learners with personal growth.

Vision Statement

The Vision we see at Les Finch includes continuing to improve the building's maintenance and upkeep and trying to upgrade our playground area. Filling up each class room to its full potential and capacity. ALL this can be accomplished with perseverance and the help from our wonderful staff and parents!

Tuition

Tuition here at Les Finch is very **IMPORTANT!** We are a privately owned school, and the tuition costs helps to keep the doors open, feeds the kids, keeps the lights on, heat on, and pay the teachers and staff!

We are asking that Tuition Al-

ways be paid a week in advance on Friday prior to week of service, but no later than Monday.

Each day after Monday a \$10 late fee charge will be added to your account per day, until tuition is paid in full.

If tuition cannot be paid on Monday PLEASE inform the office so that way we know you intend on paying, however that doesn't mean late fees are waived.

Communication is key!
