FALL IS HERE!!

Fall is in the air. Only 3 more months left in the year 2017! WOW, time has been flying.

Please dress the kids appropriately during the changing weather seasons. The little things like long sleeves and hats will help prevent the kids from getting sick. The small things count.

The Holidays are right around the corner which, for most, is the favorite time of the year.

We will be having our annual Thanksgiving and Christmas programs, which all the students here at Les Finch will participate and do some type of performance on the stage.

We know the students and teachers look forward to this, as well as the parents. Anyone and everyone is welcomed to attend! The programs start at 10:45a.m. They tend to last about 1 hour.

Please be aware of all

notices posted in the office and all notices sent home. Sign up for E-Mail if you have not done so already.

Please make sure you continue to go over your child's work with them every night! The things they learn in school NEEDS to be reinforced at home! Practice makes perfect.

LABELING IS IMPORTANT

Please, Please, Please label your child's clothing. Many of the children have the same type of clothing, shoes, etc. Make sure you label these

items and make sure there is always a change of clothes in the child's locker just incase they have an accident.

If you notice your child wears clothing home that doesn't belong to them make sure you return those items, because you would want the same in return.

THANKSGIVING & CHRISTMAS PROGRAMS

Every year we have a Thanksgiving and Christmas Program. Each class goes on stage to perform a song, poem, dance, etc for the holiday! This year the Thanksgiving program will be held Tuesday, Nov. 21 and the Christmas program will be held Wed. Dec. 13. The programs start at 10:45 am! Everyone is Welcomed to attend! Programs last about an hour.

MORNING SNACKS/ FOODS

Here at Les Finch's, we try to encourage the kids to eat healthy snacks, especially in the morning. Junk food and sugar juices in the morning can upset the children's stomach, causing them to regurgitate. Fruits and things like yogurt or breakfast bars are the best things to have to start the morning off right.

TUITION

Tuition here at Les Finch is very IMPORTANT! We are a privately owned school, and the tuition helps the Doors stay open, feeds the kids, keeps the lights and heat on, and pays the staff! We are asking that Tuition always be paid a week

in advance at the beginning of the week on Mondays. Each day after Monday a \$10 late fee charge will be added to your account, until tuition is paid in full.

If tuition cannot be paid on Monday PLEASE inform the

office so that way we know you intend on paying. This doesn't waive late fees.

We need the help from the parents to stay on top of this so that we can continue to provide the BEST Care for OUR children!

TRICK OR TREATING TIME! HALLOWEEN SAFETY

- **Have each child carry or wear something lit**, such as a flashlight, glow bracelet or necklace for visibility.
- **Adults should plan out a route in advance.** Trick or treat in familiar neighborhoods or areas.
- **Require well-fitting shoes** to be worn; preferably sneakers.
- **Avoid costumes that drag on the ground.**
- With the thought of comfort, **pick costumes that are bathroom-friendly as well.** On this same subject, parents should pre-plan a bathroom stop along the way or at a public facility if driving.
- **Be sure a child's mask allows full visibility and breathing.** Spiderman masks, for example, sometimes only have small eye slits and nothing for the nose or mouth.
- **Trick or treaters should walk**, not run, and should never cut across lawns or

driveways. Obstacles could exist that aren't readily visible in the evening.

- **Only carry flexible props**, such as knives, swords, ninja items, etc., that can't cause injury if a kid accidentally falls.
- **Only trick or treat at houses that are lit.** Residents who do not wish to be bothered by trick or treaters often leave off their lights as a sign; respect their preference by only going to houses that are lit.
- **Be sure kids don't get over-heated and keep hydrated.** Plan costumes according to weather.
- **Think "practical" over "cute" when picking a trick or treat goody bag or container.**
- **Keep track of time and don't trick or treat after 9 p.m.** (general recommendation).
- **Feed your kids a healthy meal** prior

to going trick or treat.

- **Children of any age should be accompanied by a parent**, if possible.
- **Purchased costumes should be made of flame-retardant material.** Costumes should also be reflective of the local weather. Some parents overdress their kids so that they sweat and are uncomfortable in costumes that are very heavy or don't "breathe."
- **Insist that your child goes to the bathroom BEFORE leaving the house.** And, be considerate of your child's bathroom needs by not choosing a costume that is difficult to get on and off in time to avoid last-minute bathroom needs, if at all possible.

****Never allow children to eat candy before it is inspected.**
