The Orlando District

Greetings in the Name of Our Lord!

*From the Desk of the Bettye J. Ivey, WMS
Conference President*

Missionaries we are on this journey to impact lives through out various communities. I believe that we wake every morning expecting the Lord to direct our paths!

On January 7, 2017, the Central Conference WMS meeting was held in Titusville with the St, James AME Women's Missionary Society and the Rev. AJ Davis, Pastor, hosting; we say thank you for your warmth and hospitality. They rolled out the umbrellas and made sure we were welcomed in grand style.

It was at this meeting we heard from our First Vice President MaryAnn Adams, as she informed us about our Mission work. We were reminded that our Mission projects will address the needs of the Area that will be hosting our Meetings.

Second Vice President Mary Joyce Howard-Zow presented Scholarship Information.

Maleka T. Campbell, Third Vice President presented information on Membership & Recruitment, she also encourages the local societies to identify young missionaries between the age of 18 – 40 that would be willing to represent the Central Conference in the Dorothy Adms Peck Emerging Leaders Program.

We had an informative and inspirational time in Louisville, Kentucky. Connectional WMS Executive Board 2017
