Welcome to Edutainment Learning Center (ELC) Summer Camp will begin on June 17, 2019 for ages six through thirteen years! We have combined education and adventure all in one with our academic and recreation camp. We will give students the education they need during summer break, while having fun! Campers will be given the opportunity to be ahead for the upcoming school year when enrolled in our academic and recreation Summer Camp. Campers will have lessons in reading, math, writing, and language arts. They will also be able to participate in one field trip each week. We will be going swimming, bowling, skating, parks, etc. We believe that campers need a quality program that provides educational experiences while entertaining.

Our Prince George's County location is for Prince George's County residents and our Charles County Location is for Charles County residents.

All campers registered for will receive a field trip schedule for each week he/she attends summer camp.

**Hours of Operation:**

6:30 a.m. – 7:00 p.m.

Students will need to arrive by 9:00 A.M. to participate in the academic lesson for the day. Students must be here by the scheduled time on the field trip schedule to participate in the field trip for that day. Field trip hours vary.

**Arrival/Departure:**

Upon arrival and departure each parent is required to bring his/her child into the building and see that the child is under supervision of a staff member before leaving the premises. All students must be signed in and out by an authorized adult. An emergency phone number must be left on the sign in/out form daily. You are required to list all individuals that will be picking up your child on the emergency form. If someone other than the persons listed under “authorized to pick up” come to pick up a child, the child will not be released to that person, unless we receive a phone call from the parent or legal guardian. If it is the first time that the child has been picked up by that individual, an ID will need to be shown at the time of pick up, even if the individual is listed under emergency contact.

**Illness of a Student:**

ELC is not authorized to care for sick children. Parents are responsible for providing an alternate care plan in the event of a child's illness. Children with allergies or any other condition will not be excluded from any activity. We are an academic/adventure camp, so if you do not want your child to participate in an activity, you are responsible for providing an alternate care plan. ELC will not administer any medication to a child. If a child is ill when he/she arrives at the center, the child will not be allowed to enter. If a child becomes ill while at ELC or activity destination, parent/guardian will be notified immediately, and the child will need to be picked up from that destination. A child will not be re-admitted to the center after a serious illness, unless the parent/guardian presents a written statement from the physician certifying that the child is well enough to return to ELC.

**Meals:**

ELC do not serve any food. All students are required to bring a non-perishable bag lunch and evening snack unless specified on the field trip schedule. All lunches will be refrigerated at a temperature of 41 degrees or below. Pizza and a drink will be available for \$5.00 on Mondays and Fridays.
