Did you know?

"Johnny Appleseed"
was born in
Massachusetts
on September 26!
His real name is
John Chapman and
he was a pioneer
man who intro-
duced apples to
several states.

Smiling students, proud parents!

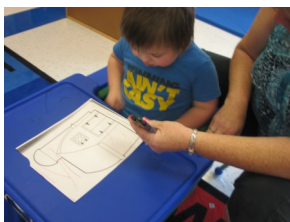

A Blast from the Past

September 19-22

Our letter of the week was "B" and we had tons of fun with it. We practiced tracing letter B, made Butterflies, listened to Letter Factory's "B" song, made music with Bells Bongos and Boomsticks, had a scavenger hunt to find the letter "B" with "B" pictures! We also did some apple fun– sorting apple colors, learning how apples are grown, and taking seeds out of an apple core! Take a look at the pictures to see for yourself!
