

FAITH BUILDERS

with Philip & Michelle Steele

Dear Partners and Friends,

One of the benefits of our inheritance in Christ Jesus is found in our relationship with the Holy Spirit. I am so thankful that He is a part of my life. Having the Holy Spirit constantly present to lead us and guide us in the decisions and course changes of life is priceless. Jesus said the Holy Spirit will teach us all things (John 14:26). He will guide us into all truth and show us things to come (John 16:13).

Many times, people only see a negative perspective of the Holy Spirit showing us things to come. It is true that He will warn us of things that we can prepare for or use our authority in prayer to divert. But, another aspect of Him showing us things to come is a positive one. It is a spiritual preparation that enables us to put our expectation and faith to work.

An example of this would be in the life of man called Simeon. The Holy Spirit had shown him that he would see the Lord's Anointed.

And, behold, there was a man in Jerusalem, whose name was Simeon; and the same man was just and devout, waiting for the consolation of Israel: and the Holy Ghost was upon him. And it was revealed unto him by the Holy Ghost, that he should not see death, before he had seen the Lord's Christ.

Simeon maintained his expectation in line with what the Holy Spirit had shown him. It says in the text that he was "...waiting for the consolation of Israel..."

When the Holy Spirit reveals something to us about our future, we can submit ourselves to that revelation. We can put our expectation in the direction of what He told is coming our way. That is what we are doing with the Word that the Holy Spirit has given us about 2018. We are expecting and building our faith to receive the gain, transition, and victory!

2018 will be a year of gaining, gaining on every hand. Believers will gain momentum, things will speed up coming to them and coming from them.

In 2018, as you are quick to obey, I will be quick to respond. In 2018, you will gain traction and advancement will be the result.

There will be no spinning the wheels just staying in the same spot or rut but you will gain traction and come up out of the rut you have been in. In 2018, there will be a gain of wisdom and knowledge in the areas of your life that have seemed to be at a standstill. You will gain the wisdom that will propel you out of the standstill into the answer.

In 2018, there will a gain of wealth and resources, not just for getting things but for sowing

2018 A Year of Gain, Transition, and Victory

and giving. 2018 will be known as a year when more was given into the work of God than at any time in recent memory.

In 2018, there will be a gain in anointings. As the anointing increases upon those I have called it will enable them to accomplish all I have asked and do require of them.

2018 will also be a year of transition, a year of change and a year of growth. Some will transition in ministry, but in the midst of the transition gain will be evident, the transition will not produce loss but gain. The transition will not produce less but more.

Yes! Gain for you is on my mind. Throughout 2018 always shout, "Gain, gain is mine!"

In 2018, you will see that all that has occurred up until now, all the blessing, all the victory, all the favor was just the beginning, just the start of what you will see in 2018. In 2018, you will see that transition is a doorway to greater. So, don't hold on to what has been and miss what will be in 2018 a year of gain, transition and victory.

I encourage you to hold onto this encouraging word by praying over it, anticipating it, and declaring it over your life. God's covenant with us is one of blessing and multiplication. The Lord swore with an oath, "In blessing, I will bless you! In multiplying, I will multiply you!"

I appreciate you and value our partnership! Thank you for being a Faith Builder!

The Word Supply

We are so excited about to have the ability to sow our CDs series free of charge! Also, we will have all audio and video from our services loaded on a specific portion of our website for you to view or download. You will be able to access the teachings and strengthen your faith night and day! You will be able to receive the CDs at our church locations or by calling the Faith Builders International (913-583-1670) to request them. Your partnership with this ministry is reaching so many people as you help us supply the Word into many lives.

As a result of this change, we may adjust the format we provide the partner gifts that we send when you sow into the work of the Lord. Instead of sending out a CD/DVD from the broadcast, we will have options of some of the recent releases made available to the Word Supply. We will give the choice as to what teaching you may want to receive. We are thankful that we are blessed to be a blessing!
