Dear Partner,

The fundamentals of faith will always have a place of importance in our lives. Our victory in Christ is activated by our faith in His finished work, and His established systems of authority in which we operate. To operate effectively in faith, we need to maintain our skillfulness in the fundamentals.

The basics of faith begin with the condition of the heart. Jesus emphasized in the Parable of the Sower the role the heart of man plays in the productivity of the Word. The heart that keeps and brings the Word to a full, mature growth will receive a harvest of the fruit that the Word will produce.

The enemy uses many tactics to stop the heart from producing. A lack of understanding of the Word allows the enemy to steal the Word from the wayside soil. The offended, rocky ground of a heart will stop the roots from finding sufficient supply in the stony-grounded heart. The cares of life, the deceitfulness of riches, and the desires of other things can enter into the heart and choke the Word of God. That is why we must guard the heart with all diligence!

The Lord continues to point me back to the faith basics with an instruction to give them emphasis in my study and teaching. I encourage you to access my recent teachings on *Effective Faith* and *Without a Doubt*. Also, Pastor Steele has recent teachings *Resist the Urge to Worry* and the *How-To's of Faith*. They are free to order by CD (501-400-8797). You can watch them on Roku, YouTube, or by visiting our website www.buildfaith.net. Also, our podcasts are on now on iTunes, Spotify, and Google Play!

Thank you for your faithful partnership with Faith Builders! We are reaching the completion of Phase One of our Every Available Voice Campaign which will pay for the production costs of the TV program and airtime on VTN. Phase Two will provide for the airtime of the Hispanic program that goes nationwide on Almavision Network. Together, we are preaching the Gospel of the Lord Jesus Christ in two languages!

Building faith,
