Dear Partner,

I hope you have been connecting to the services in Faith Builders International and Faith Builders Church in Little Rock. The Spirit of the Lord has been revealing things about our future, specifically concerning the end of this year. We are stirred with expectation about the last four months of 2019! The last quarter of this year is bottom-heavy and loaded! August is the epicenter! Pastor Steele taught extensively on what the Lord shared with us and you can find that message on our YouTube channel entitled “The Epicenter.” Please watch or call to order the free CD of that message. You will be stirred up to reach for what is to come.

Hebrews 13:5-6 reveals, “...**for he hath said**, I will never leave thee, nor forsake thee. **So that we may boldly say**, The Lord is my helper, and I will not fear what man shall do unto me.

There are things the Lord speaks to us for the purpose of giving us the right things to say. We are to say those things with confidence and authority. God has said...so that we may **boldly** say!

This is God’s method. He speaks the end from the beginning and allows us the privilege of faith to be able to call His will into manifestation in our lives. We can take His written Word or those things He speaks to us directly and boldly declare them. This bold declaration is a spiritual decree that is establishing that divine utterance into reality. Job 22:28 says, “Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.”

I encourage you to say what the Lord has said about your health, your finances, your family, and your future. Join with the voice of your pastor to say what the Lord has spoken over your church family! Your voice of faith is authorized to effect change.

Remember, you can watch our church services and events on livestream (www.buildfaith.net), Roku, Facebook Live, and YouTube. Also, our podcasts are on now on iTunes, Spotify, and Google Play!

Thank you for your faithful partnership with Faith Builders! Together, we are preaching the Gospel of the Lord Jesus Christ in two languages!

Building faith,

Michell Steele
