

Cayuse Junior Rodeo Association

2017 Sponsorship

Over the course of the rodeo season, hundreds of competitors meet to share in the great American sport of rodeo and its rich cultural traditions. Cayuse Junior Rodeo Association provides the opportunity for the youth of the Pacific Northwest to compete against the best youth athletes our region has to offer. The Cayuse Junior Rodeo Association has been helping to shape the lives of several generations of rodeo competitors. Many of our past members have gone on to successfully compete at the High School, College, Amateur and even the Professional levels. Junior rodeo is the foundation that gets youth involved and helps to keep them involved for a lifetime of family based activity.

With ages ranging from 5 to 18, these young boys and girls will compete in as many as 7 events in their respective age groups. These local athletes travel the Inland Northwest from Oregon, Washington and Idaho to compete throughout the summer rodeo season. All of these young cowboys and cowgirls have practiced and trained countless hours to prepare for the rodeo season.

Your support would be greatly appreciated to assist in the expenses of awards and rodeo costs. Your donation is tax deductible to the Cayuse Junior Rodeo Association. The tax identification number is 23-7209771. All sponsors will receive announcements during rodeos, signage (if provided) in the arena, social media and print advertising in Competitor News.

Thank You,

Cayuse Junior Rodeo Association
