August 9, 2018

The Pro-West apologizes for the errors made in the payoff at Clayton. It is being recalculated and a letter is going out to those who are involved. The Breakaway, tie down and bull riding events are those that will be recalculated. Thank you for your patience in this matter.

June--

The Board of Directors would like to let all contestants know that the Lake Chelan Rodeo Committee has made the decision today, June 18<sup>th</sup>, to withdraw their rodeo from a sanctioned Pro-West Rodeo and become an open rodeo. We are sorry to see them leave the Pro West and hope that someday they will return as one of our Prime Rodeos.

To qualify for yearend awards in 2018 and to qualify for the finals you must compete in at least 6 prime Pro-West rodeos. (this rule was changed last fall at the general meeting)

The rule book on the website is up-to-date with the changes made in the General meeting. One major change is that the payoff has changed for all events except the barrel race (which remains the same as in the past).

Total Purse #	OF ENTRIES	1ST	2ND	3RD	4TH	5TH	6TH	7TH	8TH
\$0-\$1,500	3	50.0%	30.0%	20.0%					
\$1,501-\$2,500	4	40.0%	30.0%	20.0%	10.0%				
\$2,501-\$4,999	6	29.0%	24.0%	19.0%	14.0%	9.0%	5.0%		
\$5,000 and up	8	23.0%	20.0%	17.0%	14.0%	11.0%	8.0%	5.0%	2.0%

The other major change is:

R.9.5.3

A. In the tie down roping event a contestant must use a neck rope on their horse.

B. In the tie down roping event a contestant will receive a no time and a \$100 fine for that run if he brings the animal over backwards (between 11 and 1 on a standard clock) with the animal landing on its back or head with all four feet in the air.
