

Legal Disclaimer QLARIVIA

“This product is not intended to diagnose, treat, cure, or prevent any disease”.

Information on this site is provided for informational purposes only and is not meant to substitute for the advice provided by your own physician or other medical professional. The results reported may not necessarily occur in all individuals. Eurogator LLC is providing this site and its contents on an "as is" basis and makes no representations or warranties of any kind with respect to this site or its contents. Except as specifically stated on this site, neither Eurogator LLC nor any of its directors, employees or other representatives will be liable for damages arising out of or in connection with the use of this site. This is a comprehensive limitation of liability that applies to all damages of any kind, including (without limitation) compensatory, direct, indirect or consequential damages, loss of data, income or profit, loss of or damage to property and claims of third parties.

Eurogator LLC have attempted to present information from the literature, books and other references as well as information about this product as accurately as possible, but you should be aware that the Food and Drug Administration has not approved or evaluated all of the information contained in the publicly available literature or on this site. Any literature reference or direct link to this product is for your information or convenience and may not be construed as an enticement to purchase and further is not intended or implied to be used in the mitigation, diagnoses, treatment, cure, or prevention of any disease.

*Statements or any text that may be associated with a statement or claim have not been evaluated by the Food and Drug Administration”.

No action should be taken solely on its content; regardless of the perceived scientific merit, instead readers should consult health care professionals on any matter related to their health. The information obtained from referenced materials are believed to be accurate, as presented by their respective authors, but Eurogator LLC assumes no liability for any personal interpretation. Readers, previous and future customers who fail to consult their Physicians prior to the purchase and subsequent use of any product, assume the risk of any adverse effects.
