

Journey to Wholeness Day Retreat

Fairytales, Myths, and the unfolding of our own hero/heroine's story

Description: Join us for a day apart for retreat and self reflection held within a nature setting.

Joseph Campbell discovered a pattern within every story ever told--a Hero/Heroine's Journey. Each one of us is given this Invitation in Life. What is the Story/Stories we tell ourselves and others?... Is it time to Re-Write our Story?... During this retreat we will explore various stories (myths, legends, and fairytales) that help us see this pattern as well as take a look at our own Life and Our Stories...

Come join us for this day of play and creating! We will use various art mediums and contemplative practices as we explore our Story! Dress to be messy!!!

Throughout the day we will hold our willingness to relinquish the life we've planned, "...so as to have the life that is waiting for us..." --Joseph Campbell
