

FREE DAY RETREAT!

The Life of Hildegard von Bingen

A Reformer for Her Time, a Visionary for Today

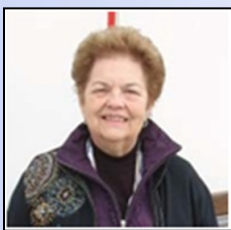

Description: Join Kathleen Roney and Dale Selover for an afternoon learning about the life of Hildegard von Bingen. This FREE workshop will enlighten you to the universal genius of one of the most important women of Medieval times. As an abbess, Hildegard von Bingen was highly educated in natural remedies and

the healing arts. She also contributed numerous musical and theological works during her life. Did you know that Hildegard was a counselor and an admonisher for the pope, emperor and bishops and yet was also admired and honored by the common people? Even today, more than 900 years after her birth, people still find her knowledge and lessons fascinating. Spend the day enveloped in that same fascination as you become inspired by Hildegard von Bingen. If you find yourself wanting to learn even more about Hildegard by the

end of the day, talk with Kathleen or Dale. They are leading an Oasis Pilgrimage in September to Germany that is centered around the life and influences of Hildegard von Bingen. Visit our website at www.oasismin.org for more information about this pilgrimage and the free day retreat!
