

Deeper into the Wild: Hiking the Seasons as a Mystic on the Trail

Dates:

Autumn Hike, September 22, 2017

Winter Hike, December 21, 2017

Spring Hike, April 26, 2018

Summer Hike, June 21, 2018

Description: *Deeper into the Wild* consists of four hikes, each five to seven miles, occurring, if possible, on the actual day of the solstice or equinox, as a celebration of the season at hand. Registration can be for single hikes or for all four. The hikes are open to everyone, regardless of experience. Hiking participants will be guided into times of reflection and sharing as part of the experience, to deepen awareness, the quality of solitude, the sense of freedom, and the depth of the experience of community.

Leaders: Michael Allwein, Barbara Hutchinson, and Marjorie Rupert. The meeting, helping, bonding, and experience of raw beauty, survival and transformation that occurs on the hiking trail is sometimes called "trail magic." Five Oasis pilgrims experienced this magic on a challenging "day one" hike at Ghost Ranch, New Mexico, in the summer of 2015. One of the participants, after an exhausting, challenging, rain-soaked, hail-stormed, muddy day, exclaimed laughing, "This is the best day of my whole life!" This team wants to pass it on, helping to guide others into the transforming possibilities and joy that exist when we go deeper into the wild.

Time: 9:00 am - 3:00 pm

Where: All Hikes are located in South Central PA and Northern Maryland. Location determined closer to event.

Retreat Fee: \$25 - \$50 per day (as you are able)
Please bring a bag lunch. This event is rain or shine, please plan accordingly.
