Bethlehem, PA

## Monthly Gatherings Held At:

The House Next Door  
Princeton Junction, NJ

The genius of Deepening Year for Direction Ministries lies in providing the community, and the context, for taking the work of spiritual direction deeper. With a new seminar-style model and a new location, DYDM will engage participants with a different spiritual direction leader each month while continuing to offer the wisdom of close supervision and the intimacy of a community of peers.

● Opening Retreat
