Breakout Session Option

Finding Hope with Francis:
The Wonder of Seeing
God in Everything

In this session led by Angela Murphy, we will explore creation through the eyes of one of the most beloved of Saints, Francis of Assisi. Using our imagination, we will follow Francis' path of joy, simplicity and wonder where all of creation is imbued with God; and discover the immense hope in the contemplative path of pure Presence embodied by the man from Assisi.

Angela has been practicing law for the past 30 years. Within the last 10 years, her focus has been to exclusively represent children with disabilities and their families with obtaining special education services from their schools. As a Roman Catholic woman called to the priesthood, Angela's heart has long been drawn to all matters spiritual. She has been immersed in Franciscan spirituality and blessed to have completed the Spiritual Direction for Spiritual Guides program through Oasis Ministries. Angela is also a member of the 2019 Cohort of Father Richard Rohr's Living School. She has just started a little ministry called "Magdalene's Blessing" through which she hopes to grow her spiritual direction practice. "Magdalene's Blessing" is dedicated to inviting all to follow the spirit of Mary Magdalene in discovering the immensity of the love of God and growing into a deep and personal relationship with this wonderful God who is Love.
