Hope in the Midst of Chaos:
Themes of Inspiration
from the Mystics

At a time when chaos and division swirl around us, the mystics offer deep insights into a fresh vision full of unity and hope. Join Rachel Lindemuth in this breakout session where we will learn from several mystics including Teilhard de Chardin, Mechthild of Magdeburg, Meister Eckhart and others. We will trace several themes that will provide anchor points for us and emphasize the importance of the overarching, unifying vision of love the mystics provide.

The hope is we would be encouraged and go on to embody this love to the world!

Rachel is enjoying her participation in Spiritual Direction for Spiritual Guides with Oasis. She is also studying for a Doctorate of Theology at La Salle University in Christian Spirituality with a focus on contemplation and mysticism. She is drawn to the beautiful mystery of God and is passionate about expressing the holistic gospel message that she has come to know in creative ways.

Ultimately, Rachel desires to journey with others deep into the abyss of God's incomprehensible love! Rachel currently serves Oasis as Director of Development.
