

TRINITY TIDINGS

AUGUST, 2019

Believing in Christ, we are called to grow and are sent to serve.

Thinking Out Loud With Pastor Josh

I'm writing this at 9:30 am on Monday, July 15 and I've already laughed twice. I've had two conversations with youth from our community (not our congregation), I've connected with several adults and I helped a mom who felt bad for being late getting her kiddo to the right spot. And assured her that whenever someone shows up for VBS, they are right on time.

Its Community VBS week at Trinity and as I watch all these people in matching tee shirts moving through our air conditioned building, as I see the older youth hug and reconnect, as I watch our adult coordinators point and lead with authority, as I listened in on the opening program and heard all the singing, I just have to say this friends.

Thank you!

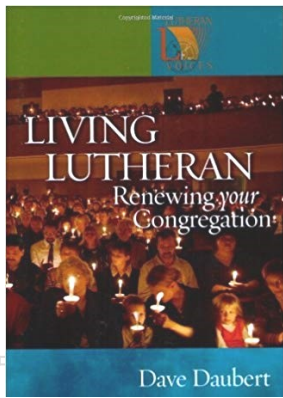

I have no other words to say besides Thank You!

Okay, that's not true. I'm a Pastor after all. Yet, all of them are around a tremendous sense of gratitude I have for this congregation that continuously offers its building, grounds, volunteers, and resources to our neighbors. Summer is when Trinity steps into its role as community space and we do it with respect and a hope that people will feel safe, respected, and welcome.

Its August, which means much of our summer ministries are already done. I hope you didn't miss it all. Summer Lunch Program launched the first week of June, Strong Girls 2 Women was on site two weeks later. The University of IL Extension appeared periodically to engage our Summer Lunch bunch and our volunteers regularly offered games, books, and time in the garden. We offered food and cold drinks on July 4th to parade watchers, we had a float in the parade. In the third week of July we opened every door for Community VBS and July 22-26 we offered our kitchen to the now highly popular Illinois Junior Chef Program offered by our partners at the Extension office. There is a possibility that it will become a two week program if registrations continue to arrive.

None of this is possible, could even be imagined, without your generosity of time, money, energy, and passion for Christ. This building is loud this week, full of voices of every size and age. That's because of you. God's name will be heard and Christ's love shared with a large group of friends because of you. All of our friends will go home singing about Jesus and telling their friends about Community VBS, or Strong Girls, or the recipe they just learned, because we chose to open our doors at Trinity. Thank you!

Trust in God's Grace. Pr Josh Ehrler

COUNCIL BOOK STUDY

**Living Lutheran:
Renewing Your
Congregation**
Rev. Dr. Dave Daubert

We are having a lot of fun and great talks around this book, we hope you're able to get a copy and read along. In July the Council read chapter 6, "Developing and Using a Purpose Statement." Do you know Trinity's statement? Hint: Believing in Christ, we are... (Called to Grow and Sent to Serve.) Next month our book will continue to move us from vague statements to concrete action as Daubert writes in chapter 7, "A Purpose Statement Isn't Enough." Go ahead, join the conversation.

PRAYER WALK

**Aug 18, Sept 15
11 a.m.**

Want to take a stroll through parts of Mt Morris? Join Pr Josh and a few others as we leave the main doors of Trinity and travel by foot up and down our area streets. The intent is to meet our neighbors, see our community from a different angle and pace, and pray. We may, if able, ask Three Questions of our neighbors, though this is not the most important task. No hard evangelism, no nosy intruding, no door knocking, simply a walk around town with a hope to see to Christ around us.

THREE QUESTIONS

What do you like about your community?

What is something you would like to see changed about this community?

If we could work on this change together, how would you be willing to help?

These are the THREE QUESTIONS we are invited to ask our neighbors. Half sheets are available in the office and around the building if you would like a semi-formal way of taking notes. Ask folks while you're standing in line at the grocery store, grabbing coffee or in your backyard. THREE QUESTIONS is meant to be a safe, easy way for any of us to engage our community and gain some ideas on what people are thinking about in Mt Morris and beyond. Feel free to drop off your notes with the office and Council will compile all the information. We can't wait to hear from our neighbors.

DEEP DIGS ADULT LEARNING

Constitution Notes Aug 18, 25

Did you know we're going to be voting on a new congregational constitution October 20th? Its been quite a few years since our constitution has been updated and because of such a length in time, it required quite a few updates and edits.

Joshua Keene, Council Secretary and Probably the Most Knowledgeable Person About All Things Constitution (working title) will be leading us through a series of sessions on all of the changes that have happened to our constitution.

It is clearer, more concise, and reflects the mission of our congregation as our primary governing document. We'll be voting on this new document Sunday Oct 20, now's the time to learn about it.

NOISY OFFERING FOR AUGUST

Lutheran Outdoor Ministries Center

The purpose of our Noisy Offering is to teach the joy of giving to God. As we move through our own summer plans and vacations, LOMC is vibrantly active connecting faith and the outdoors. Campers are experiencing myriad activities, songs, foods, and people of God while hearing how God's love for all is for each of them. Our financial gifts support the Campership fund that LOMC uses for campers who may not be able to afford and yet want to go. Your coins and financial gifts go directly toward a young person who is waiting for the opportunity to swim, play, and hang out around campfires meeting others and hearing the Word the God.

Results of the Collection for LOMC through July 21 = \$94.69

Thank you for your generosity.

**RESPONDING TO GOD:
SHARING OUR GIFTS ·
REFLECT-PRAY-GIVE**

A devotion you can try this month centered on our congregational call from God to share our lives with each other and our community.

TEXT: *“Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.”*
2 Corinthians 9.7

REFLECT: This text comes from Paul’s second letter to the Corinthians. His relationship with this particular congregation is a mixed bag of joy and resounding frustration on all sides. At this point in the letter, Paul is inviting the congregation, with whom he disagrees on many things, to work together to support the work of Christ that extends beyond them. Which means, these are not meant to be trite, simplistic words. He knows that generosity does not always come from excitement or joy, yet it is always rooted in Christ’s love.

Take a few moments each day and consider how others have been generous with you and how you received their goodness. Was it out of embarrassment or appreciation? How did it point you back to Christ’s promise of care and love? Then think about how you have shared a portion of your life with another person. Did it move you to compassion? Did it change the way you speak of Christ?

PRAY: With your thoughts on generosity and compassion, pray with God about the challenge of giving. Talk to God about the obstacles and ideas that hold you back from supporting others. Remember with Christ how difficult it can be to reflect compassion and seek some wisdom to see where your gifts are needed.

GIVE: After communing with God and wondering where you can give, act on it. Give an amount that reflects your hope, offer time that you didn’t think you had available, follow Christ across your hesitation and see where your giving leads.

**FAITH5 –
“EVERY NIGHT IN EVERY HOME”**

Share (highs and lows).
Read (a Bible verse or story).
Talk (about the Bible reading).
Pray (for each other). **Bless** (one another).

5 formative steps that may take 5 minutes or much longer before supper or getting into bed. Look for the book marks in the pews and take one home for your own use.

Use the verse of the week found at the top of every Refrigerator Reminders as a way to open the Bible together.

Take 5 to Faith 5
as a family, with friends, on your own.

NEWS FROM LOT 12

Lot 12, located at Mt. Morris Mobile Home Park, has had a busy summer serving the children through the Summer Lunch Program (through the Northern IL Food Bank, same as at Trinity) They also enjoyed their annual picnic outing to Ed & Molly Baker’s farm, which is always a delightful time.

This summer, they received two generous donations. A monetary donation enabled them to provide the children with extra treats. A donation of t-shirts provided the children the opportunity to design their very own t-shirts.

Donna Wells will celebrate her first year of being the scheduler for mentors. Most months, they have 8 to 9 mentoring sessions. Signing up for even one Tuesday or Thursday afternoon is a big help. Time needed is 3:40 to 4:40 pm.

The mentoring program is for Kindergarten thru 6th grade. This school year, there will be more younger children (kindergarten thru 2nd grade) than older children.

You can contact Donna at 815-734-7098 or sdbtwells@comcast.net.

Questions? Unsure? Talk to one Trinity’s mentors/ Summer Lunch program volunteers : Pastor Josh; Bev and Steve Opalka.

Thank you for your prayers and support for Lot 12.

THANK YOU for SG2W CAMP

“Last week I had fun. The reason is because I went to Strong Girls to Women Camp. The reason I feel every girl should try to attend is because I learned to be more confident in myself—be creative. I learned campfire songs and played fun games. I hope I can come back next year. I had so much fun. Thank you.”
Jazy Armstrong (Great-Granddaughter of the Raney’s)
6/21/19

Above, Jazy holds her personal self banner she made the day they talked about our reflection and that our reflection is more than what we see on the outside. It's who we are on the inside too! Each of the girls made their own special banner that showed their many unique and wonderful qualities.

You can view a slideshow from SG2W Camp on Trinity’s website or Facebook page too!

VBS 2019 RECAP!

Wow! Roar Vacation Bible School was amazing! Throughout the week the churches of Mt. Morris worked together to serve approximately 80 kids from our community.

Over 50 volunteers came together to sing, dance, teach, learn, eat, play, and praise God during the week. Kids learned that God is always good. They learned that when life is sad, when life is scary, when life changes, when life is unfair, and even when life is good, God is good!

This is one of our favorite weeks of the year as Trinity works together with the Church of the Brethren, Disciples United Methodist Church, and Living Hope Church to put together an unstoppable team for Vacation Bible School.

Thank you to all of those who volunteered, donated, and brought children for Vacation Bible School 2019.

We hope you can join us again in 2020 for Rocky Railroad VBS!
Melissa Nicholson

Our local Loaves & Fish Food Pantry was the VBS mission project for 2019.

This tower of paper products: toilet paper, paper towels, diapers, Kleenex, toiletries of all kinds, or money, all helped to support people in the Mt. Morris, Leaf River & Eastern Baileyville area.

See more pictures from VBS on Trinity’s website & Facebook page!

SUMMER LUNCH PROGRAM

Our 7th season of serving lunches will be ending on August 1st. In June, we had a high of 43 children, and a low of 5 served on a rainy day. We have enjoyed each and every neighbor who has stopped in for a lunch, a visit, a game, a story and more.

This year, we had a prayer before the meal. June's prayer was "Time to Eat Again", to the tune of "On the Road Again". July's prayer was "Thank you, God", to the tune of Superman's theme song.

The children weeded the garden, picked cilantro, peas, spinach, radishes & green & wax beans, and the first ripe grape tomatoes! They made a salad to use the peas and radishes and had broccoli & beans with cheese sauce (separate bowls) They also planted flowers.

Library books from Trinity's Library and Mt. Morris Public Library were always available for children to read, be read to, or read to others. Several puppet friends joined us throughout the summer.

Natalie Coy, University of Illinois SNAP Educator, came the first Wed. of June and then again the first 3 Wednesdays of July. She shared treats, nutritious recipes, nutrition tips with parents and played many fun games with the children.

The VBS float was built by Kelly Handschuh, Kendra, Caleb, Carolyn & Faith Morrison. Avery, Faith, Caleb, Kendra, Carolyn & R.J. Ride; while Robin, Marcy & Melissa Nicholson distribute VBS fliers to the crowd.
