HAVE YOU NOTICED?

As we are all well aware, we lost a lot of our shrubs due to the harsh winter. The weather has finally given the Property Committee a chance to plant a new garden for ALL to enjoy!

An assortment of perennial & annual flowering plants & bushes were planted in the triangle and on the south side of the nave.

The Sunday School children started flower seeds & the Summer Lunch Program children planted them in the small bed next to the Brayton Road entrance. Next summer, they will share flowers with Pinecrest & Oregon Living & Rehabilitation Center during Summer Lunch Program.

They are new, but will grow as we grow with our Lord.

May our Lord and Savior Bless you and keep you safe.
