Please note that virtually all of the information that is in a governmental body's physical possession constitutes public information that is subject to the **Act. Id. § 552.022(a)(1)**; see also **Open Records Decision Nos. 549 at 4 (1990), 514 at 1-2 (1988)**. The Act also is applicable to information that a governmental body does not physically possess, if the information is collected, assembled, or Page 2 of 3 maintained for the governmental body, and the governmental body owns the information or has a right of access to it. **Gov't Code § 552.002(a)(2)**; see also **Open Records Decision No. 462 at 4 (1987)**.

I would like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the way in which the government operates, communication that was sent and received from the Office of the Texas Governor, equal access for individuals who are transsexual and transgendered, the State of Texas compliance with federal law, the federal government, sex discrimination and et cetera. Please also note that I strongly believe that it is vitally important for citizens to monitor the actions and the behavior of the government for the purpose as to ensuring accountability.

The Texas Public Information Act requires that you "promptly produce" the requested records unless, within 10 days, you have sought an Attorney General's Opinion. As provided by the Texas Public Information Act, I will expect your response within ten (10) business days. Twenty (20) days if my request requires substantial programming or manipulation of data. **See Tex. Gov't Code Ann. Secs. 552.221(d) and 231(c)**. If you expect a significant delay in responding to this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. You can reach me via email at: iscampaign@usa.com.

If you deny any or all of this request, please provide a written explanation for the denial and cite each specific statutory exemption(s) you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. If your "governmental body" wants to seek the Attorney General's Opinion regarding any of our request, I ask that you immediately notify me and then seek a formal decision from the Texas Attorney General not later than ten (10) calendar days from your receipt of this request, as required by the Texas Public Information Act. **See Sec. 552.301**. I would then

ask your governmental body to release to me all of the items in which you have not sought the Attorney General's Opinion on. **See Sec. 552.301, 302; see also Open Records Decision No. 664 (2000)(if a governmental body concludes that no exceptions apply to the requested information, it must release the information as soon as possible).**

As you may already know that violation of the open records law can result in a fine of up to \$1,000, imprisonment of up to six months, or both. See Tex. Gov't Code Ann. Sec. 552.353(e). Litigation costs and reasonable attorney fees may also be assessed against you. See Sec. 552.323.

I would prefer to receive all of the requested information to me by email. My email address is at: iscampaign@usa.com. You can also send me correspondence by mail at the following mailing address:
