In my 32 years on the department, I've never experienced an event like yesterday. I was so honored that First Baptist Dallas thought enough of us to sponsor Back the Blue. Getting the opportunity to work with you behind the scenes and get what I hope will be an annual event kicked off was something I couldn't stop talking about. Many thanks to you, Pastor Jeffress and all of First Baptist for your kindness.

I look forward to our continued partnership.

Good Monday morning. As the week begins, I wanted to take this opportunity to express my deep appreciation for your partnership throughout the planning and execution of Back the Blue. Your input and work, on behalf of Back the Blue, inside the Dallas Police Department was invaluable.

I consider it one of the great privileges of life to have crossed each of your paths. I look forward to the opportunity to work together in the future as we continue to Back the Blue here in Dallas and throughout the DFW area.

Once the weather allows, we will transfer the giant Thank You card to Central. I'll let you know prior to showing up to determine the best time to make that transfer and learn where you would like it placed.

Please express my appreciation to Chief Brown for his absolutely fantastic involvement yesterday and throughout the process. My wife and I are proud to live in downtown Dallas, proud of our Dallas Police Department Officers, Chief and Command Officers.

If I can do anything to serve you, please contact me at your convenience. I'm but a call or email away – ready to give backup!

If you have children 6 weeks through 6th grade who will attend with you, I'd like to share a word from our Director of Children's Ministries, Shelly Taylor:

Dear Parent,

Kids Cove is an interactive and fun learning environment where your child will learn biblical truth and how that truth applies to his heart and life. Children 6 weeks through 6th grade are invited to join us for a developmentally appropriate Bible lesson and engaging activities that support the Bible Truth children are learning each week. Boys and girls will sing, play games, enjoy arts and crafts, interact with other children their age and hear a Bible lesson shared with great creativity. Children 3 years of age through 6th grade will attend a Large Group Worship session and small group activities each hour as part of their experience in Kids Cove. We look forward to welcoming your child to Kids Cove! Just print the attached form (KidsCove Guests Info Form) complete it, and bring with you to expedite the check in process. Safety and security is of utmost importance at First Dallas. We will issue security tags upon check in, ensuring you are the only person to whom your child will be released. See you Sunday, April 17!

Should you have any questions, please contact me at gshafer@firstdallas.org. Otherwise, I'll see you on Sunday morning for breakfast in CenterStage beginning at 9:30am

Thank you.

The dash card isn't necessary – just a help for recognition. It will be helpful for parents to complete and bring with them the security form for children who, 6 weeks old to 6th grade, who will be attending any of the church programming during the 10:50 Worship service.

As of this 2:20pm –
RSVP:
Individuals – 70 Accept and 3 Decline
Total in Party – 186
