Updates:

1. Promo package #2 is being constructed and will be emailed upon completion
 - a. Video
 - b. Radio
 - c. Social Media
2. Thank You Reception service flow is being developed. Upon completion it will be emailed to for Chief Brown's input.
3. Ongoing ministry plans are being developed for law enforcement officers. As plans are confirmed, information will be sent.
4. We will potentially schedule another videotaping with Dr. Jeffress, Chief Brown, Tom Leppert and potentially Lt. Col. West following the Easter week. I am working on Lt. Col. West's schedule now. Once I have a potential date, I'll notify Chief Brown for availability.

Questions:

1. Do you continue to believe law enforcement will wear their uniform on Back the Blue day?
2. Because there will be great potential for media coverage on the day of the event, do you believe it would be possible to have DPD vehicles staged at our campus to help with the visual impact of Back the Blue?
3. Will you be able to tell me with the names of high ranking members of DPD in attendance prior to April 17th? It will allow me to prepare a piece for Dr. Jeffress and our Executive Staff.

Should you have any questions or concerns, please contact me at your convenience.

Asst. Chief Hughes and Lt. Alanis,

Please find the attached script for the Back the Blue Promo taping.

Sorry for the delay.

Once Chief Brown reviews the script, should he have any edits, please notify me and I'll send those to our Communication Director for edits. In addition to the promo videotaping, should it conclude within the allotted time, it possible we might also record a radio spot with Chief Brown in our studio. The communication team thought it might be effective to have that in the can for release. The script will be very similar and once Communications completes the radio script, I'll forward it to you. Again, the radio spot is dependent upon the promo video.

Should you have any questions, please contact me at your convenience.
