## News - Worthy - Stuff

**A New Website**...please take a look! We added a couple of cool features that you may have seen or use at your own place of business. (contact the office for the password for the members portal)

We switched for a couple of reasons. 1) We needed to freshen up and update with some options & new technology. 2) Our support person moved to Oregon and this created a support gap.

## Vice Presidents Message – Tom Hazlett

Congratulations and thank you to Tim and Ellen Page as well as the 18 Hole Ladies group for organizing the charity tournament benefiting El Dorado County Veterans held Tuesday, Oct. 16. The tournament was so well organized, everybody who participated seemed to have a great time supporting this worthy charity.

Veterans Day (observed) is Monday, Nov. 12. The club is honoring our veterans by inviting them for a free round of golf on this day. There will also be a no-host barbecue. Members are encouraged to attend with their friends and neighbors who are veterans.

There have been many questions surrounding some of the club's processes, most notably the "Buy Out" and "Selling" process. Cold Springs' bylaws and policies dictate much of how we run these programs. Members who want to educate themselves further have a number of resources available. Copies of the bylaws and policies are available in the office. Direct your specific questions to Megan Demoss, our office manager.

There have been some complaints concerning members booking tee times and not showing up. This often means that other members are unable to book the tee times they desire. As a courtesy to our fellow members, we are requesting that members call the Pro Shop and cancel tee times you don't plan to use.

During the September annual meeting there was a discussion surrounding the cleanliness of the cart barn, which has become an issue. The club does not use blowers to clean the cart stalls since the blowers cause everything in the cart stalls to get dirty and dusty. The staff is undertaking an effort to sweep these areas. Members can help a great deal by keeping their own stalls swept and clean.

There is an open board meeting scheduled for Thursday, Nov. 15 at 5:30 p.m. Since this is so soon after the annual meeting we will not be compiling material focused specifically for the audience. This will be a working board meeting with members invited to attend.

## From the Bar & Kitchen - *Jen Bement*

Summer is officially over and frost delays have begun. The automatic frost delay starts Nov. 15, but it is wise to call the frost line, 622-5330, to check for any delays on the days you plan to golf.

The new hours for the bar and kitchen are as follows:

Bar: Tuesday – Sunday, 8 a.m. – 5 p.m. Monday – 10 a.m. – 5 p.m.

Kitchen: Tuesday – Sunday, 8 a.m. – 3 p.m.; Closed Monday

These hours depend on weather conditions.

Thank you to all our members and guests who enjoyed band nights and other special events this past summer. The staff and I enjoyed serving the tournaments, guest days and other events.

## The 9ers - *Kathy Wynn*

Pat Worley won October's Niner of the Month tournament with a net 32. Congratulations, Pat! The last NOM tournament for 2018 will be played Nov. 13 and the Niner of the Year tournament will be played on the 27th. Monthly tournament winners were first place, Linda Robbins; second place, Diane Bagdonas; and third place, Pat Worley.

The Tournament of Champions was held at the Peninsula Golf Course in San Mateo, Oct. 9. Linda Leake, championship flight; Laurie Waters, first flight; Debbie Massaro, second flight; and Melinda Coats, third flight all competed. Laurie took home a trophy for fifth place. Congratulations to all. It's an honor to qualify for this event, and "Thank You" to Debbie for putting it all together. Debbie said the course was beautiful and everyone had a great time!

We played our Invite a Friend tournament (formerly Invite the Men) on Oct. 23. Winners in the first flight were Pat and Mike Worley, first; and Linda and Rocky Leake, second. Dianne and Lee Collins took first in the second flight, followed by Sherry Young and Roger Bastian in second. Congratulations to all!

There were several Niners who recorded a Shot of the Day (going back to the end of August!):

Chip-ins:

Laurie Waters, Hole No.3, Aug. 28

Donna Frick, No. 16, Sept. 4

Melinda Coats, No. 5, Sept. 11

Linda DeVille, No. 16, Sept. 18

Laurie Waters, No. 17, Oct. 2

Chip-in birdies:

Debbie Massaro, No. 10, Sept. 18

Diane Bagdonas, No. 2, Oct. 9

This year's Niner picnic was held at the home of Laurie and Jack Waters. We were treated to tri-tip barbecue sandwiches, wonderful side dishes from our Niner group, and a beautiful view of the foothills from their lovely deck. Thank you, Laurie and Jack. We had such a wonderful time!

As a reminder, November check-in is 9:30 a.m. with a 10 a.m. shotgun start.

Last month I hit you with a bunch of new or different rules that the USGA will be instituting in January, 2019 ... geez it is hard to say that!

This month I plan on taking a complete 180 turn and promote more fun. Take a look and see if we/us/you can use some of these fun suggestions this winter to help new golfers take up this great game. Of course these will not be applicable during tournaments ... or posting legitimate scores.

- It's okay to not keep score when you are learning!
- It's okay to play from the shortest tees or start at the 150 yard marker.
- It's okay to give yourself a better lie by rolling the ball around a little. It's okay to tee the ball up anywhere when you are first learning.
- It's okay to only count swings when you make contact with the ball.
- It's okay to throw the ball out of a bunker after one try.
- It's okay to forget about a ball that may be lost or out of bounds. It's okay to drop a ball where you think it might be ... or where you wanted it to be.
- It's okay to play a scramble with your group.
- It's okay to just chip and putt on a hole when you feel like it.
- It's okay to pick up in the middle of the hole and enjoy the outdoors.
- It's okay to skip a hole if you need to take a break.
- It's okay to play less than 9 or 18 holes and call it a round of golf.
- It's okay to move your ball away from trees, rocks or very hilly lies.
- It's okay to hit the same club for the entire round, while using a putter on the putting green.
- It's okay to play golf in your sneakers. Be comfortable!
- It's okay to get enthusiastic! (High fives, fist pumps and big smiles are encouraged.)
- It's okay to talk on the golf course ... enjoy a nice conversation or tell a few jokes. Maybe some trash talking?
- It's okay to bring your kids to the course, whether they are 5 or 35.
- It's okay to PLAY GOLF JUST FOR FUN!

If each one of us persuades one new player to start playing golf ... we will have at least one more person to laugh and make fun of! (Just kidding of course ... maybe?)

That's all for now see you in the fairway.

**Rules of golf** – The rules of golf can sometimes be a little overwhelming for golfers.

However, I do feel it is important that all golfers should carry the rules of golf book in their golf bags. Every four years the USGA will analyze and review any rules that should be amended or, in some rare occasions, be completely eradicated from the rules book entirely. Here are a few rule changes which will occur during the next book revision January, 2019.

<u>Sub-category</u>	<u>Topic</u>	<u>Description of change</u>
<b>Ball Moved</b>	Player accidentally moves his or her ball during search	<b>New Rule:</b> No penalty. <b>Current Rule:</b> 1 stroke
<b>Ball Moved</b>	Player accidentally moves his or her ball or ball marker on the putting green	<b>New Rule:</b> No penalty. <b>Current Rule:</b> 1 stroke (with exceptions)
<b>Double Hit</b>	Player accidentally hits the ball more than once	<b>New Rule:</b> No penalty. <b>Current Rule:</b> 1 stroke
<b>Lost Ball</b>	Time allowed for a ball search	<b>New Rule:</b> A ball is lost if not found in three minutes. <b>Current Rule:</b> A ball is lost if not found in five minutes
<b>Putting Green</b>	Putting with an un-attended flag stick left in the hole un-attended flag.	<b>New Rule:</b> No penalty if the ball hits the <b>Current Rule:</b> 1 stroke
<b>Penalty Areas</b>	Player moves loose impediments , touches the ground with hand or club in a penalty area when the ball is penalty area.	<b>New Rule:</b> No penalty. <b>Current Rule:</b> Loss of hole, 2 stroke in a penalty
<b>Bunkers</b>	Player moves or touches a loose Impediment in a bunker when the ball is in the bunker.	<b>New Rule:</b> No penalty. <b>Current Rule:</b> Loss of hole, 2 stroke penalty

## Talkin Turf - *Doug Jeffrey*

With the continuation of the mild warm weather the greens grew in fairly quickly after aeration. The additional applications of sand to smooth greens out from aeration presented challenges such as dealing with rapid wear down of the cutting unit from the sand as well as keeping up with the growth of grass.

The summer stress areas are growing in with the help of manual spiking and seeding of new bent grass. Tee over-seeding went well, with a process of verti-cutting/thatching the tee box, mowing it down, spreading seed and then topdressing with a divot mix. We had quick germination and growth with the warm weather.

Fall leave drop is really starting to take off. Every morning there is a number of greens that have to be blown before we mow. We have started on some small projects such as trying to correct some chronic poor soft drainage areas by filling in the low areas and installing new drain lines if needed.

Don't let the warm weather fool you. We are heading toward winter and have already had some frost conditions with temperatures dipping into the low 30's. The warm season weeds and grasses have started going dormant.

Just a reminder: as the automatic full course frost delay begins, the length of the delay depends on the severity of the temperature and sunrise. It is best to call the frost line, 530 622-5330, the mornings you plan to golf for updates.

## 18ers - *Liz Kane*

Whew ... it has been a busy month.

First, I would like to thank Tim and Ellen Page for their hard work hosting our annual charity tournament benefitting El Dorado Veteran Resources, an organization approaching its one year anniversary. El Dorado County has the largest number of veterans per capita in California and the organization has done much already to provide much needed assistance.

Thank you to Heidi Matlack for her wonderful art work honoring our veterans, sign-up sheets and sponsor letters; Jody Clark, for working hard to attract 44 sponsors, and to Rosemary Authier for organizing the raffle and her many decorations that helped make our dining room so festive.

Also thank you to Adrienne Ligon for spending the entire day running the putting contest and poker run with help from our veterans, and Laurie Waters for checking everyone in. Also thank you to the ladies who helped decorate in the dark when the lights were out and cleaning up when it was over.

This is a lot of thank yous, but most important, thank you to all our members, guests, friends and veterans who played, helped, spoke and otherwise made this day a huge success. I'm so happy to announce that because of all of you, we raised a whopping \$8,042 for El Dorado Veteran Resources, which is already being put to good use.

Several of our 18-holers enjoyed much success in WGANC tournaments this month. Jerri Arens and Cathie Dyer won first low gross in their flight in the two-day match play tournament at Catta Verdera; Leslie Davis and Heidi Matlack won first low net in their flight; and Bolet Salvador and Jody Clark took third low net. In addition, Heidi and her partners won the Senior Ladies Invitational at Valley Hi Country Club.
