

Dance Class Etiquette

1. **Be Prompt:** Please arrive to class on time and ready to dance. If you must be late, enter the room quietly and join in quickly. If you are more than 15 minutes late, you may be asked to watch the remainder of class. Proper warm up is needed for every class to avoid injury.
2. **Follow the Dress Code:** Make sure you have the correct attire, shoes and hair is secured neatly off the face and neck. Dancer's are known for their poise and posture. This starts with what they wear to class.
3. **Use the Restroom Before Class:** Potty breaks can be very distracting in a younger class. Please help decrease this by having your child use the restroom before class begins.
4. **No gum, food or drinks (except water) in the dance room.**
5. **Please no street shoes in the dance room:** Dancers can store their bags, shoes and water bottles in the cubbies provided.
6. **Let your body language show you are ready to learn:** Dancers should stand tall with their hands at their sides. Bonus points for standing in one of the ballet positions. ;)
7. **Have FUN,** try your best and take corrections with a smile: As dance teachers, we are here to provide dance education in a fun, safe, and healthy environment. We give our best in each class and expect the same in return.
8. **Please keep talking in class to a minimum.**
9. **Respect your fellow students:** Please do not correct other dancers, that is why we have teachers. :) Hands to ourselves, treat others as you would like to be treated and always use kind words.
10. **Respect your teachers and thank them after class.**

Favorite Movie: The Greatest Showman and Dirty Dancing!

Favorite Quote: "Set an example. Treat everyone with KINDNESS and RESPECT, even those who are rude to you—not because they are nice but because you are."

What I'm most excited for this season: I am excited to be able to interact with each student and watch as their love for dance, music and each other grows throughout the year. We are helping to build the next generation through kindness, love and respect for themselves and others.
