

# Canyon to Canyon Half Marathon and 10 K Parking instructions

## PARKING AT EAST CANYON RESORT

When you get to East Canyon Resort, go in the west entrance of the resort. Park in the field east of the condos only. Once the field is full, find a safe place to park on the East Canyon Rd inside the white line.

There is no parking allowed beyond the field where the condos are or by the lodge. That is reserved for East Canyon Resort members.

Thank you

Awards will be on the back deck of the East Canyon Resort Lodge, following the race.
