

HIDDEN PEAK CHALLENGE

Course description

The course starts at the Information Bridge at 8100 feet of elevation.

The course goes up Dick Bass Highway. At Rothman Way make a left and go to the top of the Wilber Chair at 8645 feet. Travers the mountain until reaching the Peruvian Gulch Trail at 9125 feet. From there the switchbacks lead to the finish at Hidden Peak, 11,000 feet in altitude.

This is a self supporting race. Pack water if you think you will need it. We finish at Hidden Peak where you will be provided with everything you need to replenish your body. :)

Love It!

When you stop and look around life is pretty Amazing.
