

Widow Maker Mountain Bike Hill Climb

3000 Vertical feet to the top

From Gad Valley to
the top of Hidden Peak.

Course description

The course starts in Gad Valley at 7900 feet of elevation. Pass the Midway Unloading Station and on to Rothman Way. At the fork stay right and go to the top of the Wilber Chair at 8645 feet. Travers the mountain until reaching the Peruvian Gulch Trail at 9125 feet. From there the switchbacks lead to the finish at Hidden Peak, 11,000 feet in altitude.

This is a self supporting race. Pack water if you think you will need it. We finish at Hidden Peak where you will be provided with everything you need to replenish your body. :)

Love It!

When you stop and look around Life is pretty Amazing.
