Mark Kilby
Flame-Block of Kansas
P.O. Box 531
Derby, Kansas

Mark,

It was a pleasure working with you and your company Flame-Block of Kansas recently on a project at the Sedgwick County Zoo. This letter is to inform you that the products provided by your company and Flame Stop Inc.™ preformed as advertised and did meet all of our requirements and expectations.

The products used were provided by Flame Stop Inc.™ and included FS-I on burlap material and decorative vegetation, also FS-I DS on other materials, such as grass thatch and bamboo thatch. Both of these products provided the necessary flame resistance that was required in order for them to use these types of materials.

Sincerely,

Greg H. Thompson
Fire Marshal
