A história do

A Aida, a águia e o lago

A Aida andava a passear na floresta. De repente, avistou uma águia que voava sobre ela. Cheia de medo, subiu a uma árvore.

– Não te escondas, Aida! Eu só quero brincar contigo e mostrar-te as coisas belas da Natureza - disse a águia.

– Não me fazes mal? – perguntou a Aida, aflita.

– Não! Olha para o lago que está à tua frente. As ondinhas não parecem mesmo prata a brilhar? É lindo, não é? - interrogou a águia.

– É maravilhoso! Nunca vi nada igual – afirmou Aida.

– Vês como eu não te faço mal? Sou tua amiga ... – informou a águia.

– Eu quero agradecer-te. Já andas na escola? Sabes escrever o teu nome? – perguntou Aida.

– Não. Nem sei o “a” de águia - disse a águia.

– Então eu vou ensinar-te essa letrinha: faz uma rodinha. Agora põe-lhe uma fita redondinha a arrastar pelo chão.

– Agora já sei! Se continuares a ensinar-me, serei a única águia do mundo a saber ler e escrever. Serei a rainha das águias!

Aida prometeu que lhe ensinaria todas as letrinhas. A águia agradeceu, dando uma bicadinha carinhosa no nariz da menina.
