A história do **u**

Um urso amigo

u

Era uma vez um menino chamado Ulisses. Um dia em que o vento soprava fortemente, assobiando e fazendo u...u...u..., o Ulisses reparou num grande urso que comia uma uva à sombra duma árvore. Ulisses riu muito e aproximou-se do urso.

– Queres ser meu amigo? - perguntou Ulisses ao urso.

– Quero, quero! - respondeu o urso, dando-lhe um abraço tão forte que quase lhe partia as costelas.

– Então vamos brincar às letrinhas. Pega num pau e faz como te digo: um risco para cima, outro risco para baixo, agarradinho ao primeiro. Perto do chão, faz uma curva redondinha, vai de novo para cima e outra para baixo, também agarradinho. Cá em baixo, faz outra curva redondinha. Não te esqueças!

– Que letra é esta? - perguntou o urso.

– É o “u” - respondeu Ulisses.

– U...u...u... é o “u” de urso! É o “u” de urso! - Dizia o urso, ao mesmo tempo que saltava, corria e abraçava o seu novo amigo.
