# A história do

## A Beta, o bebé e a bola

Naquele dia, Beta ficou encarregada de tomar conta do seu irmão, um lindo bebé com um ano de idade.

A certa altura, o bebé babou o bibe que ficou todo molhado. Aflita, Beta tirou-lhe o bibe e vestiu-lhe a sua bata da escola. O bebé parecia mesmo um palhaço!

Com muita ternura, Beta afagou o rosto do seu irmãozinho e deu-lhe dois beijinhos na face rechonchuda. O bebé também babou a bata, mas Beta já não se importou. Começou a jogar à bola com o seu maninho. A certa altura, Beta atirou a bola ao bule que caiu ao chão e se partiu. Nesse momento, entrou a mãe que se zangou muito e se preparava para lhe bater.

– Mamã, não me batas! Eu estava a brincar com o maninho para ele não chorar! Tive azar e a bola bateu no bule – disse Beta.

A mãe compreendeu e sorriu para os dois. Beta começou a brincar com o irmão às escolinhas.

– Vamos fazer o “b” de bebé, de bola e do bule que parti. É assim: faz um “l”. Agora sobe um bocadinho mais a perna no fim, deixando um buraquinho. No fim de tudo, faz um lacinho.

A mãe observava aquelas cenas, ficando encantada com os seus filhos.
